The Chamber "A-Buzz" with Spring Activity

Our office of busy bees are hard at work undertaking preparations for the various activities being launched in the months of April, May and June. Take a look at the hive of activities we will be unveiling this Spring:

Showcase Morgan Hill Business Expo: April 11th @ Live Oak HS -"Shop Local, Buy Local, Be Local!" Vendor booths are on the verge of selling out and marketing to community attendees is in full swing! Local services being represented include dental, mortgage, recycling, construction, retail, nonprofit, fitness and more. Food, wine and beer booths will be providing samples and the first 500 attendees through the door receive a swag bag of goodies and service discounts. Help us highlight the services in our own community and encourage everyone to shop local by including information about the Business Expo in your next e-blast, newsletter and Facebook Post!

May - "The Force of Local Business." This is not your mom's "Membership Drive!" For the entire month of May chamber members will be issued the challenge of spreading the knowledge of chamber programs to their individual networks. Businesses will be awarded points for the activation of each new member that they refer and new members will receive a selection of one-time enhanced benefits to choose from. At the end of the month, points will be cashed in for free breakfast registrations, discounted memberships, website advertising, Friday Night Music Series VIP Tent Rental, Directory ADs and more! "MAY THE FORCE OF LOCAL BUSINESS BE WITH YOU!

Friday Night Music Series: June 14th- August 30th - "Voted Morgan Hill Time's 2018 Best Place to Dance." FREE Concerts return to the Morgan Hill Outdoor Amphitheatre in June. The 2019 Friday Night Music Series Season will run (12) consecutive Friday nights and feature local bands such as Soul Kiss, The Hitmen and Shane Dwight. Tribute bands will also grace the stage this year playing the familiar sounds of Santana, Journey and Bruno Mars. We are excited to announce that special appearances will be made by San Francisco based band Puro Bandido and LA based band The Boys of Summer! Throw in a Country Music Night featuring line dancing lessons from JMJ Line Dance and music from the Country Cougars, and you have yourself one of the hottest FREE dance parties in Northern California!

Don't just mind your own "beeswax;" Get involved with the chamber!

When Behavior of Your Loved One Changes Financial Decision Making

The Family Wealth Consulting Group
A Dementia Friendly Company
By Peggy D. Martin, MSFS, ChFC, CASL

In working with my clients, I have the privilege of getting to know them very well. I understand what is important to them, what their goals are and what Legacy they want to leave to their family, friends and community.

A lot of the guidance that I provide is cash-flow management. Over the years, I do begin to understand their spending patterns and notice when there is a shift.

We have started asking all our clients for Trusted Contact information. With this information, we know the name and relationship of the individual/s and why our client is choosing that individual/s. This information is particularly important for our older clients. Our aging citizens can find themselves more at risk of financial exploitation and fraud. Source: 2015 True Link Financial Report on Financial Elder Abuse: https://www.truelinkfinancial.com/research

At our firm, a discussion takes place about who will make decisions for our client if/when they are unable to do so. We then have their approval to speak with the Trusted Contact when we observe:

1) Diminished Capacity – Difficulty in making financial decisions when they were once so very natural and easy to make. Now there is confusion or overwhelm, asking the same question over and over. They may finally ask, “Please make the decision for me.”

2) Significant and out of the ordinary expenditures.

3) We suspect financial abuse.

As a dementia friendly/aware company, we work with our clients and their family (or someone else) to facilitate the goals of financial safety and well-being. Being alert to changes in behavior early on will assist with accomplishing those goals.

If you (or a loved one) are experiencing any of these signs, seek help. Do not wait until after the damage is done.

Family Wealth Consultants, Inc., A Registered Investment Advisory Firm

At the March Breakfast, Chamber Ambassador Ken Tak of Home Instead Senior Care, talked about becoming a Dementia Friendly Business. Please take the time to go online and learn how to become a Dementia Friend. Register your Business, then print and post your certificate.
