The United States Senate
United States Capitol
Washington, DC 20510

Dear Senator:

On behalf of the undersigned organizations, we strongly urge you to support Marvin Kaplan and William Emanuel as Members of the National Labor Relations Board.

Mr. Kaplan and Mr. Emanuel will be excellent additions to the National Labor Relations Board due to their unique experiences in the public and private sectors, as well as their first-hand knowledge of complex labor issues facing employers and employees. Based on their extensive knowledge of labor law, we are confident that if confirmed Mr. Kaplan and Mr. Emanuel will restore the balance among employers, employees and labor unions interpret and reverse needless changes made to labor law and eliminate the \$81.6 million in labor regulatory costs imposed under President Obama's Administration.

As the nation's leading manufacturing associations, we urge a swift confirmation of Mr. Kaplan and Mr. Emanuel as Members of the National Labor Relations Board.

Sincerely,
