# Hello, Kenai & Soldotna!

ALASKA CHAMBER

## Working for Alaska Business

Curtis W. Thayer  
President and CEO

# Chamber profile

## Why we exist

### Our history

Formed in 1953 before Alaska was a state for the purpose of promoting commerce in Alaska.

### Our vision

To be the leading voice advancing Alaska Business.

### Our mission

To promote a healthy business environment in Alaska.

### Our membership

700+ member companies with 100,000+ employees  
and 30+ Local Alaska Chambers

# Our leadership

## Board of Directors

Governed by a volunteer board of directors, the Chamber is a private organization funded primarily by membership dues. It is not a government agency and receives no tax dollars.

## Committees

The Chamber maintains the following committees to help achieve the its mission.

- Executive Committee
- Finance Committee
- Legislative Affairs Committee
- Events Committee

# Business advocacy

We work for you

Pro-Business

Alaska Business  
Report Card

Alaska Business  
Political Action  
Committee

# Legislative advocacy

We follow state and federal legislation important to our members

- The Alaska Chamber stands behind **strong, pro-business legislation** and advocates for issues that affect you.
- Whether addressing policy-making or simply helping to grow your company, the Alaska Chamber is **protecting your interests every day**.
- We ensure the **Voice of Alaska Business** is heard in Juneau and Washington D.C.

# Our priorities for 2018

## Issues affecting Alaska's business climate

### State Priorities

- Support reduction of spending to sustainable levels
- Support comprehensive workers' compensation reform

### Federal Priorities

- Support oil and gas exploration and development in Alaska's federal areas including; the Outer Continental Shelf (OCS), National Petroleum Reserve-Alaska (NPRA), Cook Inlet, and the Arctic National Wildlife Refuge (ANWR)
- Support repeal or reform of the Federal Patient Protection and Affordable Care Act

# Workers' Compensation

## Improving the system

- Alaska Chamber's effort to improve the system: improve efficiencies, improve and reduce medical costs, revise the legal process, and revamp the reemployment benefits system
- Got the bill to the Senate Finance Committee
- Pursued inclusion of our must-haves into another vehicle
- Next steps: A legislative working group was formed to work on the issue this interim

# WHAT IS THE FISH HABITAT MEASURE?

Replaces current permitting system with a complex, costly system

All water and areas surrounding are considered anadromous fish habitat, even if no fish present

Minor vs. major permit

New “mitigation measures”

Prescriptive language

# WHO IS BEHIND THE MEASURE?

Outside  
environmental  
groups

California and  
Washington D.C.  
private foundations

Outside  
billionaires

# THE MYTHS

NOT TRUE

Alaska does not adequately protect our fish habitat.

NOT TRUE

We have not increased fish habitat protections in 60 years.

NOT TRUE

We don't use science to guide permitting.

NOT TRUE

There's no opportunity for public input.

NOT TRUE

This won't impact existing projects.

# THE FACTS

National model for fishery management

ADF&G uses robust scientific process

Fish habitat protections are expanded to new areas each year

18 state and federal policies that protect fish habitat

Public comment on major permits

No grandfather clause

# JOB LOSS + SLOWED ECONOMY

Oil and Gas

Mining

Construction

Forestry

Tourism

# TAKEAWAY

This ballot measure is a radical overhaul of regulations with serious unintended consequences.

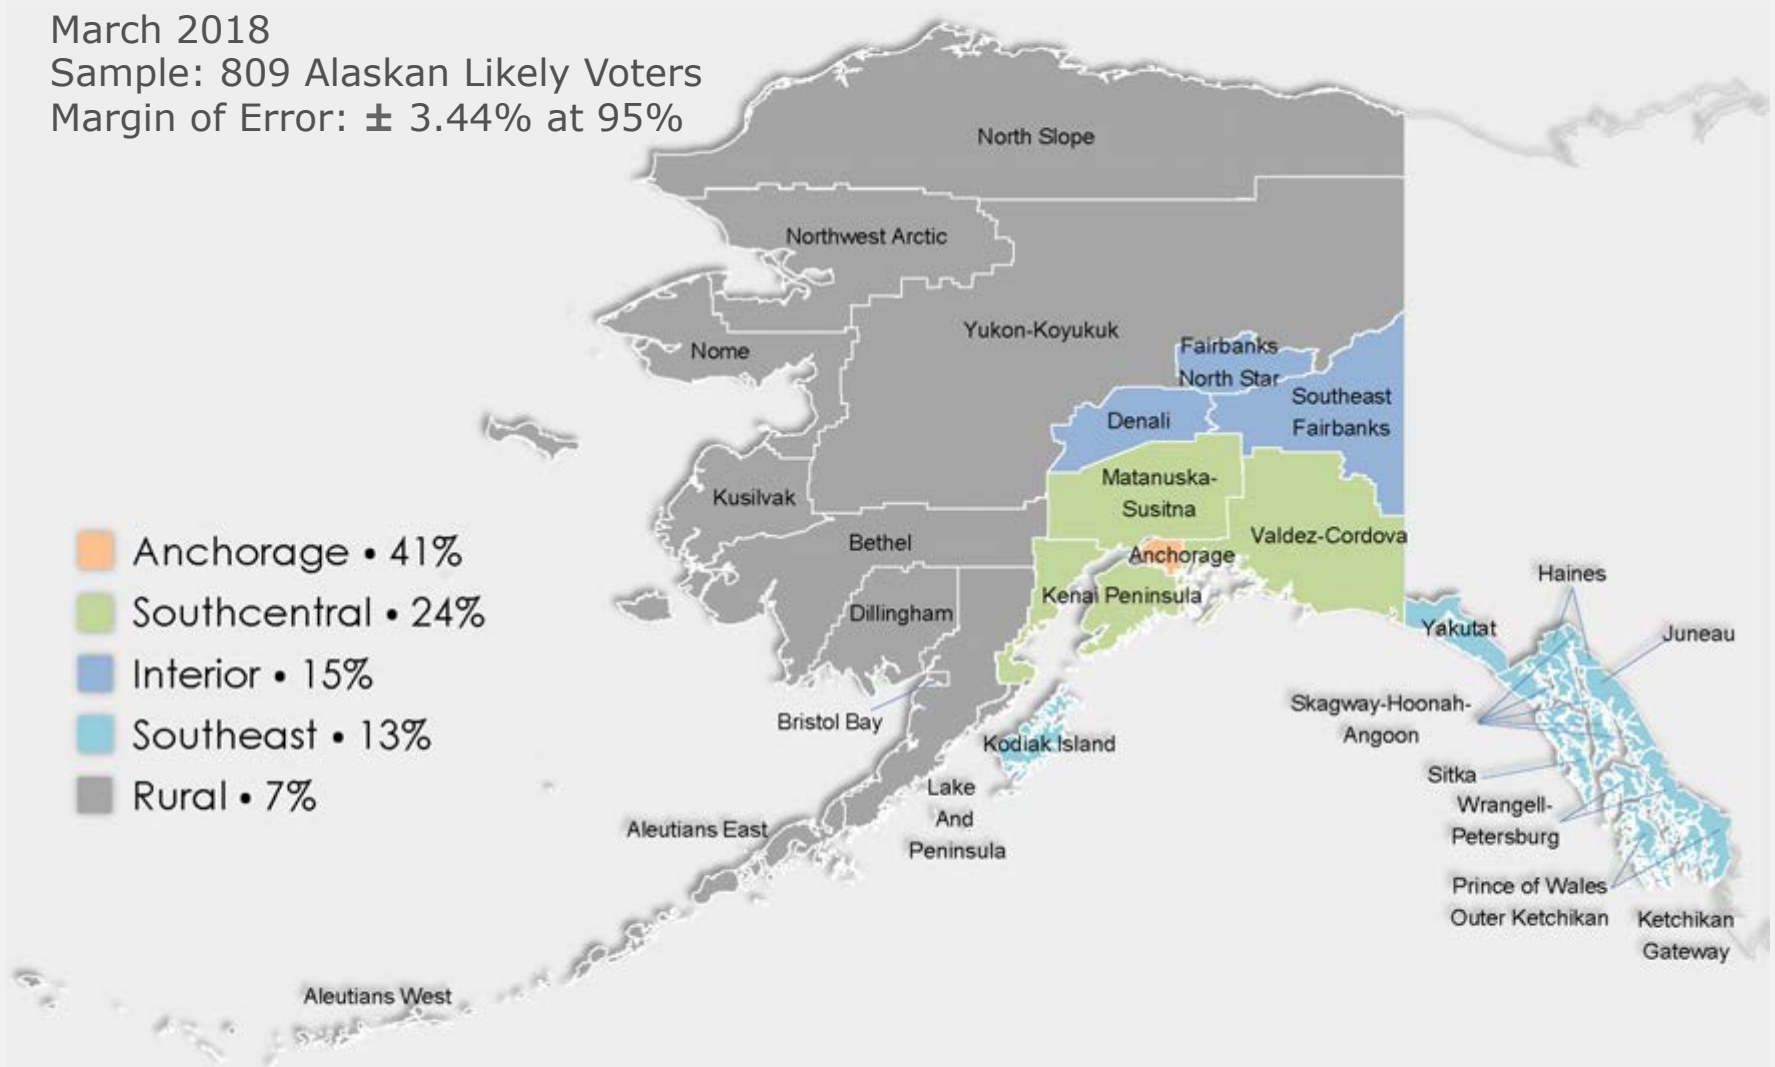

# Alaska Public Opinion Survey

March 2018

Sample: 809 Alaskan Likely Voters

Margin of Error:  $\pm 3.44\%$  at 95%
