A Message From Our President

I hope everyone is taking some time over the summer to rejuvenate and enjoy some time with family and friends. Enjoy, and do what makes you happy!

The Coral Springs Regional Chamber conducted a very successful Legislative Update Breakfast at the end of June with over 100 attendees and a panel of elected officials representing the state of Florida, Broward County and cities of Coral Springs, Coconut Creek & Parkland. I'd like to give a special thanks to Mayor Skip Campbell, House

Representative Jared Moskowitz, and Legislative Aid, Jared Rosenstein for their expertise and assistance in making this event a huge success! I am excited to continue to grow this program into a signature yearly event for the Chamber.

I also want to welcome our new City Manager, Mike Goodrum. Congratulations on your new position! The membership, Board and staff of the Chamber are looking forward to working with you to ensure the success of businesses in Coral Springs.

For those of you who have retail businesses I highly recommend signing up to participate in the [Google Street View Indoor Program](#) that we are offering at discounting pricing for members of the Chamber. The program provides a virtual tour of the inside of your business on your website, the Chamber website, Google Maps, and on [Facebook](#) so potential clients and customers can see the inside your business and ultimately drive traffic to you. You will be receiving emails to show you exactly what this looks like, I sincerely hope you take advantage of it this special Chamber member opportunity.

To your continued success,
Cindy
