### *A Message From Our President*

I have some very exciting news to share with you! I am proud to announce that the Coral Springs Regional Chamber of Commerce Board of Directors and the Coconut Creek Chamber of Commerce Board of Directors have come to an agreement to integrate the Coconut Creek Chamber with the Coral Springs Regional Chamber!

What does this mean for our members and the members of Coconut Creek Chamber? Members of both organizations will now be getting two Chamber memberships for the price of one -with even more member benefits!! There will be additional opportunities to grow and develop your network of business professionals, as well as additional events that both organizations will be able to participate in. In addition, the integration expands the reach of both organizations by giving all of us a greater influence as the "voice of business in the Northwest Broward area".

The Coconut Creek Chamber will be known as the Coconut Creek Chamber Council. The Council will have its own Board of Governors as well as representation on the Coral Springs Regional Chamber's Board of Directors. The Coconut Creek Council will continue to have their own identity and will provide member-driven programs that are successful and foster engagement in the Coconut Creek community.

This is an extremely exciting time in our Chamber's history and in the next sixty days we will be providing you with more information as we move forward in the process. This month, several marketing professionals from both groups will meet to develop a plan for the future communication of the new structure. I will keep you posted and we will send out emails as the plans progress. Enjoy the rest of your summer and get ready to network!

To your continued success,  
Cindy
