Committee Meetings

Coffee with the Ambassadors
Date: Tuesday,

A Message From Our President

The Professional Women's Alliance (PWA) presented by Baptist Health had one of our most outstanding luncheons last month. The panelists included Coconut Creek City Manager Mary Blasi, Parkland Mayor Christine Hunschofsky, Juliet Roulhac, FPL Corporate External Affairs and Erika Royal, Holland & Knight. It was enlightening and personal while providing incredible insight for the attendees. Congratulations to the PWA Chair Donna Denton and steering committee!

Last week the newly formed School Safety Action Committee chaired by Board members Kim Kadel and Andrea Jacobs had their first meeting. Parkland Mayor Christine Hunschofsky was the guest speaker and provided valuable information and insight to the committee. If you are interested in being involved, please contact the Chamber office.

I'd like to congratulate the winners of the 2018 Small Business Leader of the Year Awards, from Coral Springs, Andrea Jacobs, Brodzki Jacobs and Brook and from Coconut Creek, Jeff Garfield from Big Bite Bagel & Deli. Special Congratulations to Scott Brook, recipient of the Covered Bridge Award and to Connie Carberg for receiving the Lifetime Achievement Award. I'd like to express my sincere appreciation to our Title sponsor, Joe DiMaggio Children's Hospital & U18 Sports Medicine, as well as to all of our sponsors, for once again for making this event a big success.

The Chamber will be distributing the funds raised from the Gala's silent auction to the 7 high schools at the May 15th Education Recognition Breakfast. Do not miss hearing from our fabulous students and learn what they have accomplished! Our legislative update moderated by Mayor Skip Campbell is on Thursday, May 31. This event is a wonderful opportunity to hear from local legislators and Mayors.

Trustee Spotlight

AMTRUST BANK[®]

A Division of New York Community Bank, Member FDIC

New York Community Bank is the largest thrift in the nation and one of the leading thrift depositories in most of the markets we serve. Our roots go back to 1859, when we were chartered by the State of New York in Queens, a borough of New York City. Since then, we have grown from a single branch in Flushing to 225 branch offices in five states!

With the acquisition of the deposits and certain assets of AmTrust Bank in December 2009, New York Community Bank added two new divisions to our banking family: AmTrust Bank, which serves our customers in Florida and Arizona, and Ohio Savings Bank, which serves our customers through 28 branches in the Buckeye State. Our 27 branches in Florida are largely located in the state's southern and coastal counties, while our 14 branches in Arizona are primarily located in the central part of the state. Included in that network are three branches that were acquired in connection with our Desert Hills Bank transaction in March 2010.
