A Message From Our President

Well, it's official! The Coconut Creek Chamber Board of Governors unanimously voted this past month to make the integration between the Coral Springs Regional Chamber and the Coconut Creek Chamber permanent. There was a one-year trial period and we have seen the many additional opportunities to that

we have provided to our members as a result. We look forward to continuing to grow this partnership in the upcoming year. I would like to thank Connie Carberg for making this into a reality, as well as Robert Friedman and Tracy L'automne for their outstanding leadership on the Coconut Creek Board of Governors.

I want to make you aware that the primary elections are on August 28th and the deadline to register to vote for the Primary Election is Monday, July 30th. Early voting will be from Saturday August 18th through Sunday, August 26th. I am urging all of you to vote and have your voices heard, here is the link: [Register to Vote](#)

The City of Coral Springs just celebrated its 55th Birthday; the NBC-6 Café came to City Hall and did a live segment. Our Chamber, as well as the many outstanding businesses that are in the City, were highlighted. Even with the heat, it was wonderful to have the live coverage about our City! Another interesting fact that I would like

to share with you that for the second year in a row, Broward County had a very strong showing on Fortune's list of 100 Best Workplaces for Millennials. One of the areas that the Chamber has put a strong emphasis on is NEXTgen, so that we are retaining Millennials in Northwest Broward. This is vital for our future, so it is great to see that Broward County has a number of Best Workplaces for Millennials. Chamber member MOD Pizza was on the list!

It is hard to believe that school is starting already. Our School Action Safety Committee has been diligently meeting with various groups, elected officials and parents of some of the victims from the Stoneman Douglas tragedy. We have had many successes connecting our member businesses to organizations that need assistance. Once we finish gathering information and vetting some of the nonprofits we have met with, we are going to add a page to our website to further connect our member businesses.

To your continued success,
Cindy
