A Message From Our President

The Chamber's Annual Education Recognition Breakfast, presented by Broward College was held on April 16th. It was incredible to hear directly from students that attend the seven high schools in Coral Springs, Coconut Creek

and Parkland. They discussed their projects, as well as expressing gratitude to our incredible Chamber members for all of the time dedicated throughout the year to support the DECA and BPA Clubs of the schools. In addition, we were able to connect student interns with our local businesses. I urge you to consider hiring a summer intern and contribute to shaping the future for our leaders of tomorrow.

May 5th through May 11th is National Small Business week. The Chamber will be recognizing, visiting and having special programs to celebrate with our small business

Additionally, the Coral Springs Small Business Leader of the Year, Kim Kadel, from North Broward Sports and Activities Magazine and the Coconut Creek Small Business Leader of the Year, Seth Fellman, from Morlin Hospitality will be recognized at the Broward Council of Chambers County Luncheon in May.

Members of the Ambassador committee joined the Chamber staff in a Chamber Crawl this past Friday. We visited 13 businesses and had a blast! I hope you had a chance to see some of our social media postings; we plan to continue with this every month so feel free to join us.

We would like to thank Commissioner Joshua Simmons for speaking at our last Government Affairs committee meeting. If you are a business owner that is participating in any Green Initiatives please let us know by emailing gulie@csrchamber.com; we are helping Commissioner Simmons recognize some of these businesses.

The Coconut Creek Chamber Council joined the City of Coconut Creek and planted an Oak tree at Coconut Creek City Hall in honor of Arbor Day. The Creek Council also received a proclamation from the City Commission for Arbor Day.

There is another special election in Coral Springs on June 18th. We have six candidates running for Commission Seat #2, so please make sure to get the word out to vote and have your voice heard!

Remember to like us on social media and use your Office Depot discounts!

To your continued success,
Cindy

"The Coral Springs Regional Chamber has

continuously shown support for DECA throughout the years. The partnership that has formed between our school and the Chamber is such a vital component to our success. The Chamber has contributed to our success not only financially, but in many other ways. The Chamber has shown us unwavering support and dedication throughout the years, and without the Chamber, we would not have been able to achieve any of our amazing successes."

Lexi Tracton, Student
Marjory Stoneman Douglas High School

"The Coral Springs Regional Chamber really

exemplifies how a chamber should be. Membership has positively impacted me, and I have gained new friends and business partnerships. There are many activities and committees with which one can become involved – you just need to find which is your passion. I strongly recommend this chamber to anyone who owns a business or want to grow their business and get involved in the community."
