#### A Message From Our President

Last week we had the Chamber's Annual Legislative Breakfast presented by Baptist Health. It was quite informative and our panelists Senator Kevin Rader, Representative Dan Daley and County

Commissioner Michael Udine did an excellent job educating our members about how we can work towards creating positive outcomes in the future.

One of the recommendations from the panel is that our members should get involved and show up for Broward Days, to express our concerns. Broward Days is on January 21 & 22, 2020;

for additional information go to [www.browarddays.com](http://www.browarddays.com).

Congratulations to Commissioner Shawn Cerra for winning the special election! I have known Shawn for many years and I am confident he will do an excellent job as our newest Coral Springs Commissioner.

The Chamber is in the process of preparing for our next fiscal year, which starts October 1. We

Established in 2002, the Sports & Activities Directory is published quarterly to ensure that residents are always "in the know" about the sports, cultural events, and wide range of activities available to every member of their family-regardless of age or interests.

Unique stories, profiles of hometown heroes, volunteers, corporate citizens, school news and the vast array of photographs that chronicle the sports and activities make every issue not only a guide to current events, but also a memorable keepsake.

As a comprehensive information source for the community, our goal is to be the 4-1-1, to give residents a single source of information at no cost to them. No city tax dollars are used to produce this unique publication, so please support our sponsors who advertise with us. Without their support we wouldn't be able to offer residents such a valuable resource.

Through a unique circulation, the Sports and Activities Directory reaches qualified readers. It is available through public, private and preschools, Community Centers, concessions stands, YMCA, government offices, and can be found throughout the city at advertiser establishments.
