### **Windsor-Essex Regional Chamber of Commerce and Ontario Chamber Network Attend Queen's Park Advocacy Day**

Toronto, ON – On Monday, April 4, 2016, Windsor-Essex Regional Chamber of Commerce President & CEO Matt Marchand, along with other Chambers across Ontario, is attending a Queen's Park Advocacy Day in Toronto.

Marchand is participating in a series of meetings throughout the entire day with politicians and government officials advocating on several Windsor-Essex region issues. These meetings include senior government officials, leaders of the opposition and deputy ministers of industry.

Additionally, Marchand will be moderating a meeting on Manufacturing with Giles Gherson, Deputy Minister Ministry of Economic Development, Employment and Infrastructure from 10:30 a.m. - 11:30 a.m. The discussion will focus on what a provincial manufacturing strategy would look like and how Ontario can make itself into a centre of advanced manufacturing.

Marchand is available for comment throughout the day.
