## Letter from the CHAIR

### Milestones Matter

Milestones are important not only in our personal lives but in the lives of our organization. Webster defines a milestone as an important point in the progress or development of something: a very important event or advance. Whatever the milestone is, it creates a specific memory that we can refer back to and celebrate.

For businesses and organizations, milestones can be the opening of the business after years of planning and preparation or it could be celebrating the success of another year of business. At the July chamber luncheon, we were able to experience two significant milestones. The Red Oak Chick-fil-a was the caterer for the month and had recently celebrated the grand opening of their restaurant just a few months back and Citizens National Bank of Texas is celebrating their 150 anniversary of serving the community. Both are equally important and significant events.

This year the Red Oak Chamber will be celebrating its 45 anniversary and will be

hosting our 40th Founders Day celebration on September 8 with the theme being "The Beat Goes On." Come be part of the festivities from 9 a. to 3 p.m. There will be a parade, games, food, entertainment, live music and lots more.

Make sure you pause to reflect on your personal and organizational milestones and then celebrate!

Scott Fuller, Life School  
Chair of the ROACC Board of Directors

## Chris Ross ROISD Football Coach *"A Champion's Mindset"*

How does football relate to business? As Chris Ross explained everything we do in life is teamwork of some type. The same principals he applies to his football team are also preparation for other aspects of their lives.

All successful businesses are build on a solid foundation.

- Character of the individual
- Teamwork
- Competitive mindset
- Superior strength & conditioning
- Fundamentals (effort with technique)

These personal expectations help us to arrive at our goal and the goal of the team:

- Prepare with purpose everyday
- Do your job
- Work hard
- Be attentive
- Put the team first

With emphasis on

Play Hard ----- Play Fast ----- Play Together

Finally, every employer is a coach. When three easy coaching objectives are applied then the result is a great team and a successful business.

Build Self Esteem ---- Add Value to Their Lives ---- Enjoy The Process

**ACCESS**   
**SELF STORAGE**  
**AND TRUCK RENTAL**  
*your one-stop moving and storage solution*

The company started in 1972 and has grown to 8 locations with the Red Oak facility opening for business in December 2009.

The office is open 9am-6pm Monday through Saturday and 1pm-6pm Sunday. Tenants have access to their units 6am-9pm 7 days/week by using their personal security gate code.

We have Climate Controlled and regular storage units for rent as well as RV and vehicle parking. In addition, we rent moving trucks and sell moving & storage supplies. We also provide document shredding services and we accept mail and package deliveries for our tenants.

In the Red Oak community, Access Self Storage has raised thousands of dollars through fundraisers and donations for the Red Oak Education Foundation, Ellis County Outreach, school scholarships, youth camp scholarships, and various athletics programs as well as sponsoring Chamber of Commerce and other community events.

Access Self Storage is based on three principles: Safety, Security, and Service. The goal is to provide an environment where your belongings are protected in well-constructed buildings, surrounded by secure fencing and under the watchful eye of security cameras and the managers who live on-site. Customer service is at the top of the priority list and each tenant is treated with respect and professionalism. Our facilities are well-maintained and designed to be a good neighbor and an asset to the community.

In an industry that spans the extremes from flimsy, poorly maintained facilities to cold, corporate franchise facilities with no sense of heart, Access Self Storage has risen to the top of the industry and routinely wins awards for excellence in safety, security, and service to the customer.
