Our Mission: To provide shelter and quality empowerment services for women and their children seeking to free themselves from the cycle of domestic violence and/or sexual assault.

The House of Refuge is making a difference! Did you know that in 2016 we.....Responded to **447** hotline calls, Provided safe shelter for **98** women and **56** children, Provided **2,134** safe nights of shelter for women and children, Served over **6,700** meals to our residents

What can YOU do to help make a difference? The success of the House of Refuge to continue our mission and do our lifesaving work is dependent upon volunteers and the financial and product support of corporations and sponsors.
