WHAT'S IT ALL ABOUT?

The Charlottesville Regional Chamber of Commerce established *Leadership Charlottesville* in 1982 as an economic development initiative in order to advance a key Chamber program to serve our member enterprises' efforts to help build an active corps of dedicated and civically-engaged leaders. *Leadership Charlottesville* has become and remains a signature Chamber member-service, community-building program.

Since 1982, our Chamber has graduated more than 1000 individuals from the program. They are now challenging themselves, serving their employers and our community in active community-building efforts. You, too, can be a part of this dedicated, dynamic, and successful group of citizens.

HOW DOES IT WORK?

Leadership Charlottesville is an 8-month tuition-based program held September through April. The program consists of weekly and monthly sessions built around a curriculum of community issues. **At least 80% of the non-mandatory sessions must be attended to qualify for a certificate of completion.**

As part of the *Leadership Charlottesville* program, class members work in teams to come up with viable solutions to specific community issues.

WHO PARTICIPATES?

Leadership Charlottesville participants include senior level executives, nonprofit executives and staff, entrepreneurs, local government employees, community leaders, retirees, trailing spouses, activists, and more. If you are an existing or emerging with a desire to become more involved in your community, then this program is for you!
