Pothole Reporting Procedure

Potholes on roadways are often brought on by the freeze/thaw cycle. If you observe a pothole deeper than one inch within the Village, please call Public Works at 630-469-6756, or use the [YourGov app](#) and submit infrastructure requests directly from your smartphone. Potholes will be filled as soon as crews are available. Please note that Glen Ellyn is not responsible for State and County roadways within Village limits. Any potholes on these roadways can be reported to [IDOT](#) or [DuPage County DOT](#). Community members using YouGov can conveniently report non-emergency issues (any emergency should still be communicated to 911) and service requests using the web or a smartphone. Requests for service may also include streetlights, sidewalk issues, blocked catch basins, among others.
