February Monthly Meeting

This presentation will cover how to protect your business and your business relationships.

Rick and his partner Charles Wentworth own the Law Office of Lofgren & Wentworth, P.C., known as "The Entrepreneur's Legal Resource," located downtown Glen Ellyn, and focus their legal practices exclusively on entrepreneurs and small businesses.

With over thirty-three years of legal experience working with businesses on the issues they face daily during their business cycles, Rick acts in the capacity of an outside general counsel assisting business owners to make smarter decisions, build stronger relationships, and make and save money. Rick stresses the importance of recognizing that correct legal answers alone do not necessarily translate into the correct best business decisions. He represents all types of businesses in every stage of their business cycles – from start up through eventual sale.

GLEN ELLYN POLICE RESPOND TO BURGLARY IN PROGRESS (UPDATE #1)

Glen Ellyn, IL - On January 18, 2019, the Glen Ellyn Police Department was notified of a burglary in progress at the combined Taco Bell and KFC Restaurant located at 370 Roosevelt Road.

After further investigation, it has been determined that the offender in this case was inside the business for several hours waiting for the employees to open the restaurant. Additionally, the offender swung a crow bar at the employees while telling them to open the safe. Attached, and below, are images of the offender captured on surveillance cameras.

There was another burglary reported on January 17, 2019 to Flip's Restaurant located at 340 Roosevelt Road. In both cases, the offender entered the businesses after forcing entry to the drive through windows. The Glen Ellyn Police Department is asking local businesses to fortify drive through windows during off hours and ensure surveillance cameras and alarms are functional. If anyone recognizes the individual in the photos, please contact the Glen Ellyn Police Department at 630-469-1187.
