VILLAGE OF GLEN ELLYN

Village Investment Drives Over \$2 Million in Private Investments

In 2018, the Village invested in new and expanding businesses in Glen Ellyn through various award programs. The \$175,000 of public funds invested through interior, facade, and fire prevention award programs was matched by \$1.9 million in private investments, totaling over \$2 million of direct investment into the business community.

Properties located in the downtown are eligible for interior and facade improvements as well as fire prevention awards, funded through the Tax Increment Financing (TIF) District. Properties located in the Roosevelt Road business corridor and in Historic Stacy's Corners are eligible for facade awards, funded through the Village's General Fund. This year, the Village Board expanded the fire prevention program to include Roosevelt Road properties, located in the Roosevelt Road TIF District.

This investment helped to welcome Common Good Cocktail House, Skin Theory, Nobel House and Sushi Ukai to Glen Ellyn. In addition, Jimmy John's successfully relocated and added a drive-thru to better serve customers. Information about the Village's Award programs and applications can be found on the Village's [website](#).

FAÇADE IMPROVEMENT AWARD

Available to all commercial properties in the commercial districts, for major façade enhancements and/or restoration of original architectural features. The program is based on a sliding scale matching up to \$15,000.

FIRE PREVENTION AWARD

Available to all commercial properties in the downtown commercial district and Roosevelt Road TIF district for installation or updating of fire alarm systems and/or sprinkler systems. The program is based on a sliding scale matching up to \$15,000.

DOWNTOWN RETAIL INTERIOR IMPROVEMENT AWARD

Available to new or expanding retail or restaurant businesses within the downtown commercial district. Improvements must be permanent improvements to the property (cosmetic improvements do not apply). The program is based on a sliding scale matching up to \$15,000.
