Connecting Business with the Greater Community

**JEFF ASH**

Jeff Ash has been where you have, with decades of business experience in sales management, process improvement, financial analysis, business development and contract negotiation. But probably unlike you, he had a dream of opening an improv comedy theater.

Today, Jeff is the Owner and Artistic Director of Westside Improv Studio. He is an alumnus of The Second City, Hollywood, and has performed and taught improvisation all over the country.

You will learn to IMPROV(E) your business with an emphasis on the importance of connecting, listening, and embracing the "Yes, and...," while bringing these principles, not to mention the fun, of improv to business to help create stronger relationships, foster more productive collaboration, and unlock more powerful creativity. The opposite of boring.

# VILLAGE OF GLEN ELLYN

## Village Proclaims Year of Frida Kahlo

Leading up to the historic Frida Kahlo exhibition coming to the Cleve Carney Art Gallery in Glen Ellyn during the summer of 2020, the Village of Glen Ellyn has officially proclaimed "The Year of Frida Kahlo", spanning September 2019 through August 2020. The proclamation, along with an honorary Frida Kahlo Way Village street sign, was presented by Village President Diane McGinley at this past Sunday's Frida Fest. Additionally, the Year of Frida Kahlo was acknowledged at the Monday, September 9 Village Board Meeting.

The exhibition will travel from Milan to Budapest to Moscow and here to Glen Ellyn in 2020. The multifaceted exhibition will feature 26 original artworks, a timeline with more than 100 photographic images from the artist's life, a video presentation, reproductions of Kahlo's clothing, a family-friendly children's area and poetry garden.

For more information on the exhibit, including ticket sales and additional programming, please visit the Frida 2020 website at
