BUSINESS

DIRECTORY

Members can utilize the Chamber's website by adding information to their business directory listing. View it at a "micro-website" & if you already have a website, use the business directory as a bridge to have people redirected to you site. This can include:

Your Logo

Contact Information

Business Description

Links to Your Website & Social Media Feeds

Pictures

Video

Job Postings

Hot Deals

These are sales for the whole community to take advantage of.
They will also go out on our facebook and twitter

Add Your Own Events

Your events will be posted on our Events calendar on our website

Request For Proposal

You can both look up other member's RFP's as well as add your own.
The requests are emailed out to the specific category of businesses that would qualify for your RFP.

MarketPlace

A business "garage sale" site that you can either add or purchase items.
