

CALIFORNIA TRUCKING ASSOCIATION'S

ANNUAL MEMBERSHIP CONFERENCE

January 23 - 27, 2019

U.S. Grant Hotel
San Diego, CA

2019

DEFINING OUR FUTURE

Joe Giammona
President, JSG Trucking
CTA 1st Vice President

Our 2019 Annual Membership Conference will be held at the historic US Grant Hotel in San Diego. This is a fitting location for this year's conference as many US Presidents have graced this venue with their presence over the years. The US Grant is located at the foot of the Gaslamp district which offers a variety of daytime activities for families and many opportunities for socializing over the two free nights during the conference.

Our theme for this year is **"Defining Our Future"**. This coming year we have new opportunities, from the national attention of the driver shortage to a new Governor and

Legislature in office. This is our chance to use our collective voice and our influence as CTA members in Defining Our Future!

This year's program will include insight at the federal and national level from ATA President/CEO Chris Spear and ATA Chairman Barry Pottles; we will hear directly from the newly appointed FMCSA Director Ray Martinez and enjoy an educational and motivating presentation from Brandon Miller, CEO of 34 Strong, will provide a presentation specific to the Defining Our Future theme as it applies to the Association, membership, your business, and personally.

Please join me in San Diego as we usher in a New Year of energy, comradery and the exchange of ideas as we lay the ground work of Defining Our Future.
