PHCC ACADEMY OF SAN DIEGO TRAINING PROGRAMS

Educated and professional workers are in high demand in the Plumbing Heating Cooling Industry, which currently lacks a robust and skilled workforce. Without training, this problem only increases year upon year. The PHCC helps secure the industry's future so that plumbing and HVAC companies have access to the best in quality technicians to continue to provide quality craftsmanship at competitive prices for the community in which it serves. As time progresses, licensed contractors and consumers recognize the value of skilled professionals and look for the PHCC logo first.

PHCC Academy of San Diego Training Programs offer individuals a chance to "earn while you learn," combining classroom instruction with on-the-job training. This method allows individuals to combine real life experiences with applied knowledge.

JOURNEYMAN PLUMBING APPRENTICESHIP ACCELERATED PROGRAM

CLASSES START ON JANUARY 14, 2019

The Journeyman Plumbing Apprenticeship Program is a four-year program accredited by the Office of Apprenticeship, Department of Labor. Licensed contractors are able to Federally register employees as Apprentices, while they are enrolled in this training program. Our program provides 156 hours of classroom instruction plus hands-on labs for each of the four years of the program. Curriculum includes safety, state and local code and regulations, mathematics, drafting and blueprint reading. This program gives technicians a thorough knowledge of all aspects of the plumbing trade. By the end of their fourth year, Apprentices will have clocked 8,000 hours of on-the-job training, more than 600 hours of classroom and hands-on learning, and are given the opportunity to take the California PHCC Journey Level Certification Exam to ultimately earn their well-deserved PHCC Journeyman Card.

CLASS SCHEDULE & CURRICULUM

- Students attend classes one evening per week from Jan-Aug on Mondays at 5:30pm-9:30pm.
- Students must also attend pre-scheduled hands-on labs one Saturday per month.
- Students must attend all classes and follow protocol for make-up hours and attendance.
- For optimal learning, class size is limited to 20 students.
- Our curriculum follows data from the National Center for Construction Education & Research (NCCER) for Craft Trades.
- Skilled and experienced industry professionals are employed as instructors.
- Industry experts and manufacturer representatives demonstrate cutting-edge products and technology, and may provide manufacturing certifications at various stages in the curriculum.

CHANGES IN CURRICULUM AND SCHEDULING

PHCC Academy of San Diego reserves the right to cancel, reschedule or combine classes; to change instructors; to adjust tuition, fees, or class size, and to alter curriculum with written notification at any time to enrolled students in good standing. We reserve the right to deny a student permission to enter or continue a course of study based on lack of payment, disciplinary action, or any other reason determined by the PHCC Academy of San Diego Disciplinary Board.

STATEMENT OF NONDISCRIMINATORY POLICY

The PHCC Academy of San Diego admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.
