

PCA is partnering with the University of Bridgeport to offer five, ten-hour, advanced orthopedic weekend classes that will provide you with highly practical skills to gain confidence, improve results, and prepare for the future of outcomes-based reimbursement. These fifty “live hours” fulfill the requirement toward an advanced Diplomate in Orthopedics (DACO) – opening even more opportunities like the ability to participate in Federally Qualified Health Centers (FQHC).

The dates of these 5 courses are:

October 19-20, 2019 @ PCA Annual Convention	Pittsburgh
November 16-17, 2019	State College
March 7-8, 2020	State College
April 4-5, 2020	State College
May 2-3, 2020 @ PCA Annual Convention	Pocono Manor

See next page for topics and speakers for each date.

The full DACO program includes the above 50 live hours, provided by PCA, and 250 online hours, provided by University of Bridgeport. [Full program information can be found here.](#)

COSTS:

INDIVIDUAL COURSES - November 2019, March 2020, April 2020:

PCA MEMBERS: \$270
 Non-members: \$300

ALL 5 COURSES - Save \$150 when you register for all 5 live courses up front!
