

Don't Let Your Malpractice Insurer Label You "Unreasonable"

At NCMIC, if you want your day in court to defend your reputation, you'll have it.

Other companies' policies say **they can settle your claim if you are being "unreasonable" in withholding your consent to settle.**

Why would they do that? To get out of the claim as quickly and inexpensively as possible—rather than doing what's best for you.

At NCMIC, you'll never be labeled unreasonable.
