**GLORIA’S GEMS**

This month I need to recognize one of the newest Chamber Committees, the Golf Committee.

Karah Hawkinson of Sherburne History Center, Hanna Klimmek of City of Big Lake, Paul Knier of Cabot Lodge Securities, Dr. Scott Schulz of Great River Spine & Sport and Tim Suchy of Edward Jones & Board President worked very hard contacting businesses to golf or sponsor the Golf Scramble as well as organizing fun games.

As Dr. Scott emphatically stated, “We couldn’t have had such a successful event without the hard work of our Committee members.” It was through their work that the Chamber profited almost \$6300.

Left: Hanna Klimmek of City of Big Lake & Karah Hawkinson of Sherburne History Center welcome the golfers. Right: Tim Suchy of Edward Jones is selling putting strings to golfers.

**EVENT OF THE MONTH: GOLF SCRAMBLE**

The Big Lake Chamber of Commerce & Industry hosted its first annual golf scramble on Thursday, May 23rd at the Monticello Country Club.

“This event has been a great success, “exclaimed Dr. Scott Schulz of Great River Spine & Sport and Chair of the Chamber’s Golf Committee. “We had 13 teams come out to golf, as well as 18 sponsors. Many golfers told us they had a great time and want to return next year!”

The golf team of Cabot Lodge Securities-Paul Knier tried their skill at the Insurance Specialists Team (IST) Hole in 1 \$20,000 prize!

**SPUD FEST in  
3 WEEKS!**

## **NEEDS VOLUNTEERS AND DONATIONS**

Big Lake Spud Fest chairwoman Raeanne Danielowski strongly encourages Chamber members to “volunteer themselves and several of their staff at Spud Fest. We need help during Bingo, the parade, clean-up and even serving beer.” Groups from non-profits can also help out in some of the activities or in clean-up. Please [sign up here!](#)

Spud Fest begins at 6 pm on Thursday, June 26th with the Carnival and demonstration of the Big Lake Robotics at the Big Lake Middle School. New this year with the Carnival are advanced day passes (unlimited for the day) and mega passes (unlimited rides for the weekend). Spud Fest does make some profit on the advanced ticket sales, day and mega passes but no profit on the individual tickets purchased during the weekend. Advance tickets can be purchased at Coborn’s Service Desk and Old National Bank until June 27th at 3 pm or at the Spud Fest Family Night at the Library on Thursday, June 27th between 4:30 and 5:30.

Spud Fest Buttons can be purchased for only \$1 from the Big Lake Ambassador Candidates or email them at [biglakeambassadors@gmail.com](mailto:biglakeambassadors@gmail.com) as well as at Great River Spine and Sports, Old National Bank & McPete's! If you have a button and find the medallion, you will win \$150! Without the button, you only get \$50. Clues for finding the medallion are published weekly in the West Sherburne Tribune and posted on the

front window of Great River Spine & Sport. When you buy and wear a button, you are showing your support for the Big Lake Spud Fest. Buttons will also be sold at the bingo tent during the week-end.

“We can also use donations from Chamber members for Bingo prizes”, continued Danielowski. Members can drop them off at the Chamber office or City Hall or email the Chamber if you would like them picked-up.

Live Entertainment and a softball tournament continues all weekend along with the Lakes Run and motorcycle run on Friday and Saturday. Thousands of area residents gather for the Parade starting at 11 am on Saturday, June 29th. New this year on Saturday afternoon is the Food Truck Fest. Sunday offers Potato Pancake Breakfast, Potato Soup Spud Fest and the Big Lake Lioness’s Smity’s Amateur Fiddlers’ Contest with all activities concluding on Sunday, June 30th at 5 pm. A complete schedule is available [here!](#)

SPONSORS NEEDED FOR BLOCK PARTY

There is still time to sponsor one of the Chamber's largest fundraiser events, the Block Party. These events help keep Chamber dues down for the members and supports various programs.

The Block Party Committee has added several new activities for the Big Lake Block Party from 10 am-2 pm on Saturday, August 17th. New this year will be classic cars sponsored by Dan's of Big Lake. Big Lake Boy Scouts will sponsor an inflatable BB gun range. McPete's will provide bowling and mini-golf. Dean-o-Mite will entertain with music and games. Big Lake Ambassadors will offer face painting. Big Lake Police and CentraCare Emergency Services staff and vehicles will be available to check out.

Coborn's will provide the food and water and McPete's fountain beverages.

All activities including some activities from sponsors' booths are offered at one low price of \$5/person for the entire 4-hour event. Food and beverages are additional costs.

Chamber Board approved starting the event a few hours earlier than last year. If you would like to be a sponsor of this event, please contact one of the Committee members: Dr. Kristi McAlpin of Big Lake Area Vet Hospital, Bill Blackhurst of Boy Scouts, Trisha Lindahl of City of Big Lake, Heather Eidem of CentraCare Health, Tim Suchy of Edward Jones & Allen Snegosky of Sherburne State Bank. The sponsorship form is on the next page.

Additional sponsors include: Gold Sponsor and Bronze Sponsor

Silver Sponsor

Members are also asked to start collecting 100 items such as inflatable balls, pencils, colors, coloring sheets for the goodie bags for the first children who come to the Block Party.

Volunteers are needed to set-up and take down, collect money at the registration tables, provide wristbands and work at the food booth. Please email the Chamber if you're able to help! Photo to the right from last year is provided courtesy of West Sherburne Tribune.

## **STATE LEGISLATORS AT MAY'S MEMBERSHIP LUNCH**

Representative Nick Zerwas and State Senator Mary Kiffmeyer updated 32 Chamber members at the May 28th membership meeting at The Friendly Buffalo.

The legislators had just completed many late nights during the last weeks of the session and their special session, which lasted 24 hours and concluded at 7 am a few days earlier. Zerwas was pleased they were able to avoid a 20 cent gas tax. Federal tax conformity was approved and taxes lowered for middle-income taxpayers. They were also able to block the reduction of a 68% cut from nursing homes that had been supported Governor Walz and DFL House leadership. Kiffmeyer reported they avoided some bad policy bills including gun control, elections and Planned Parenthood sex education materials in elementary schools. She supported the state contracting with a private company to process driver's licenses and vehicle registrations. Unfortunately, the bill allowing for more lawful gambling proceeds staying in the communities was not approved by the legislators but Kiffmeyer encouraged non-profits to work together and try again.

JC's U-Lock Storage owner and Sherburne County Commissioner introduced Sherburne County Administrator Steve Taylor whose last day is June 22nd. He informed members that Sherburne County is the third fastest growing county in the state and has 63% of its 96,468 residents having some college. He was pleased that the Government Center expansion was completed under budget and that commissioner board meetings will now be taped for public access. He also indicated disappointment that the legislature didn't approve \$20 million in industrial park improvements for Becker to attract 50 permanent high-tech jobs at Google to replace Sherco's closing in the next few years.

## **LUNCH WITH GOVERNOR KRISTI NOEM of SOUTH DAKOTA**

**Brought to you by Women in Business: Wednesday, June 19th at Nicollet Island Pavilion**

No state's economic success is judged alone, but by the strength of its competition, and allies. Come join the Minnesota Chamber in a lunch conversation with Governor Kristi, that state's first female governor. She left college to help run her family's ranch in South Dakota after her father passed away unexpectedly. After expanding the family business, she was elected to the US House of Representatives. What is South Dakota doing to build statewide economic opportunities for its citizens? Although our states differ, how can we both confront challenges of workforce or affordability? Governor Noem's experience and exuberance are certain to energize the audience and stimulate some great table conversation. [Register](#) here.

The bank was chartered in 1885, making it the oldest bank in Sherburne County. They provide mobile banking and cash management solutions to individuals and business.
