

# THE HOME BUILDERS ASSOCIATION • GRAND TRAVERSE AREA PARADE OF HOMES

Meet The Committee!

Preston Feather

My name is Jennifer Bard. My fascination for the building trades started as a little girl; watching my Dad build our family home. It quickly grew into a passion as I began remodeling my own home as a young adult (with my Dad's help of course!). I have been fortunate enough to channel that passion into my profession; following a career that has enabled me to work in areas that are essential to the industry. I am knowledgeable in various aspects of the building processes from new construction to remodels, focusing primarily in the residential sector. I enjoy every aspect from the planning of the project to realizing the results and all of the details in between! I joined the HBA 2 years ago and am honored and excited to be this year's Parade of Homes Committee Chair. I look forward to working with the committee, builders and members to make this year's parade another success!

I strive to craft unique lending solutions that best fit the needs of my clients. A lifelong resident of Traverse City, I enjoy attending UofM football games with my husband and three boys. I am actively involved in the community and serve as a

board member for the Woman's Council of Realtors, an organization within TAAR. I also volunteer my time with Child & Family Services, Salvation Army, and the Traverse City Film Festival and I am excited to be serving on the Parade of Homes committee now as well.

OLD MISSION WINDOWS

My name is Ken DeLeary and I started my career in Windows and Door over 30 years ago. My journey has taken me to Colorado for 16 years and Hawaii for 7 years. Over the years I have met some great people in the building industry and appreciate the relationships and friendships gained. It is with great pleasure becoming involved in the Grand Traverse HBA again. Back in the early days, I was the Treasurer of the Remodelers Council and remember seeing the growth of this fantastic organization take root. I look forward to working with the Association again as a Parade of Homes Committee member and working with Builders and Associate members to see the success of another great Parade in 2019.

Matt Geib REALTOR

As a licensed Realtor, currently assisting Matt Geib, Associate Broker at Century 21 Northland, my primary focus is crafting unique and result-oriented marketing strategies for our clients. My talents include professional photography, design and staging consultations, neighborhood lifestyle profiles, and visionary property descriptions.

Raised in Michigan, my real estate career initiated in Virginia in 1992, allowing me to combine my marketing experience with my passion for architecture. Although full service, my primary field of business was new homes sales, which resulted in representing builders and developers in multiple types of communities. Years of new construction experience provided the tools for my evolution into new home design and construction, as well as property flips.

Matt and I, with our 31 years of combined experience, have repeatedly received recognition from our peers and clients for outstanding production volume as well as quality service awards. We are privileged to share our marketing and real estate expertise with the Home Builders Association and would be honored to assist or represent affiliated members or builders.
