## **DANIEL CAUSEY | CRBA Associate Member**

*Sunbelt Lighting, LLC.*

### **What company do you work for and what is your job description?**

I am the Sales Manager of Louisiana for Sunbelt Lighting.

### **How long have you been a CRBA member and why did you choose to join?**

I have been involved with CRBA for two years. When I started working with Sunbelt Lighting, it was made clear to me the importance of CRBA, which ultimately led me to join.

### **What makes CRBA important to you?**

It's a place to connect with like minded people. People are passionate about connecting and growing within the housing industry.

### **Why do you believe it is important for other businesses to join CRBA?**

They will personally gain beneficial relationships. However, they will also be a part of something bigger than Baton Rouge. Meaning, as a CRBA member, you are active in the National level being able to defend legislation that would hinder our industry.

### **What is your most notable memory while being involved with CRBA?**

The most notable memory is going to the city council meeting to stand against the moratorium after the flood. It reminded me of the most important reason behind CRBA; to stand up for our industry and the interest of our customers and fellow members.
