

# Get Free Safety Topics Delivered to Your Inbox

Toolbox Talks streamline your safety meetings

Training is a core element of any solid safety program. Texas Mutual's free Toolbox Talks help you streamline your safety training and engage your employees in the message.

Each single-topic Toolbox Talk is:

**Free.** Toolbox Talks are a benefit of your Texas Mutual coverage.

**Convenient.** Once a month, we'll send a new Toolbox Talk to your inbox.

**Short.** Supervisors can hold safety meetings in as little as five minutes.

**Multipurpose.** Each one-page Toolbox Talk includes a short safety message and discussion questions.
