I was wondering.....

Is the Chamber a government agency?

The Chamber is a 501(c)6 non-profit membership organization and is not a department of the City of Lafayette or a governmental agency.

How is the Chamber funded?

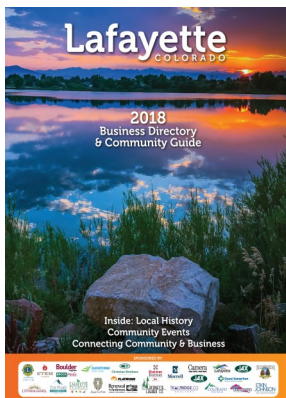

The Chamber is funded by membership dues, sponsorships, and event income.

What does the Chamber do?

As a membership organization we provide services, programs and resources to help our businesses survive and thrive.

We work closely with the City on business retention and economic development.

We also coordinate Oatmeal Fest, July 4th, Peach Fest and Brew Fest annually in Lafayette.

Brock Media will again be producing our 2019 Chamber Directory and Community Guide and will be calling all members soon .

Jason Zvitt and Lauren Smith are the advertising reps. Don't miss out on being in this publication.
