## Please be Considerate!

We've had a rash of people RSVPing for events and then not showing up.

Our Networking Mixer hosts need to know how many people to provide food for, at their expense. And we have to pay for every breakfast ordered based on RSVP's.

So we appreciate your RSVP in advance but if you know you can't attend, please let us know.

*We don't check our emails after 4:00 pm or early morning before an event!*
