2019 VENDOR RULES/REGULATIONS AND FAQ

ABOUT THE VASHON STRAWBERRY FESTIVAL:

The Vashon Island Strawberry Festival was first held in 1909. Today's Festival features approximately 200 vendors, a Children's and Grand Parade on Saturday, Classic Car Parade on Sunday, multiple stages of live music, Kids Zone, a beer garden and many other events that make for an exciting week-end celebration for locals and visitors of all ages. Average attendance is 30,000-40,000 people.

BOOTH FEE:

Booth fees vary depending on the size of the space and electrical requirements. All booths must pay application fee and security/sanitation fee. See explanations below.

BOOTH LOCATION AND PLACEMENT:

We will try to accommodate requests for specific booth locations/placement; however, there are several factors which may affect final decision. Examples include, but are not limited to: Date of application, receipt of payment, fire breaks or hydrants, driveways or easements, electricity requirements, competing vendor placements, business access, etc.

BOOTH SPACE AND STRUCTURE:

All food booth tents/canopies must be fire-retardant and must be clearly marked as such. In case of wind or inclement weather, any additional tarps or booth coverings must also be fire-retardant.

Vendors supply their own canopies/tents, tables, electrical cords, signs, etc. and are responsible for the set-up and take-down of their booth. **Per Fire Marshal regulation, all Vendors must have 25 pounds of weight available to secure each leg of their tent/canopy.**

Vendors must remain within their allotted booth space. Please measure carefully. Your booth space strictly includes: Front and Side awning, vehicle hitches and/or tongues, racks and displays, signs, etc. Set up in front of booth in road/walkway is prohibited. If additional space is required, please note the additional fees on the application form. The booth structure must be self-standing and weighted by means that are not a trip hazard.

CANCELLATION:

All application fees are non-refundable (unless your booth is rejected, or vendor space is full.) **Booth fees (excluding application fee) are refundable only if requested before June 1, 2019.**

CERTIFICATE OF INSURANCE:

All vendors selling food must provide a Certificate of Insurance which names the Vashon-Maury Island Chamber of Commerce as additionally insured during the Vashon Strawberry Festival. This Certificate of Insurance must be received by the Chamber by July 10, 2019. Food vendor booths cannot be set up without Certificate of Insurance on file with the Chamber.

DISABLED CUSTOMER ACCOMMODATIONS:

Food vendors must be prepared to serve disabled customers. For example, if an alter-abled customer arrives by wheelchair, the food vendor should be prepared to serve that customer's needs outside of the booth. This could include making the order, collecting payment, and delivering the food to the customer.

The Vashon Island Chamber of Commerce will assist vendors with requests pertaining to issues regarding access to the best of the Chamber's ability.

ELECTRICITY:

Electricity (110) is very limited and primarily reserved for Food Booths. Please come prepared with outdoor extension cords as the power source may not be located next to your booth. Vendors must supply their own plugs, hook-ups, adapters/connectors.

FOOD SINKS:

If water is needed, three 3-compartment sinks are available for food vendor use. No hook-ups are available.

FIRE EXTINGUISHERS:

The King County Fire Marshal requires that all vendors maintain a working fire extinguisher in their booth during festivals in King County. The type of fire extinguisher required is dependent on the type of booth you have (see below). Any booths which do not have a fire extinguisher may risk closure by the Fire Marshal following inspection. Vendors must supply their own extinguisher.

Cooking vendors (who produce grease vapors) – 40 BC Type K Extinguisher
All other Vendors – 2A 10 BC

All Food Vendor tents, canopies and any additional booth coverings (for example, rain tarps) must be fire-retardant and vendor must have manufacturing document on hand. All fires, including BBQ's, must be completely extinguished at the end of each day.

MENU ITEMS:

Vendors must list all food items they plan to serve on their Vendor Application Form. Only those items listed can be sold at Festival. In order to avoid duplication, we monitor each vendor's menu items carefully.

GARBAGE:

Vendors are responsible for maintaining a clean booth area and for the removal of their own trash. Large dumpsters are provided for vendors, located behind Rock Island Pizza. Additionally, smaller dumpsters and recycling bins are placed throughout the festival area. The Chamber of Commerce contracts with Vashon Boy Scout Troop #294 to collect and dispense of trash within the community areas. They will not pick up vendor garbage unless it is by special arrangement between the vendor and the Scout troop. If not properly disposed of, a \$100 fee will be incurred for vendor trash. Please ask the Chamber Staff if you have questions regarding disposal.

HEALTH PERMITS AND REQUIREMENTS:

Vendors serving prepared food must have a health permit. Depending on the type of food being sold, vendors may apply for a temporary food service permit. Please contact King County Environmental Health at (206) 263-9566 for assistance. Health permits must be visibly posted at all times and **THERE MUST BE A MINIMUM OF ONE FOOD WORKER WITH A CURRENT FOOD HANDLER'S PERMIT IN THE BOOTH AT ALL TIMES.**

HEALTH INSPECTORS WILL CHECK ALL FOOD BOOTHS ON SATURDAY MORNING. A VENDOR WILL NOT BE AUTHORIZED TO SELL THEIR PRODUCT IF THEY DO NOT MEET HEALTH DEPARTMENT REGULATIONS.

HOURS AND SET-UP:

Booth breakdown and load-out occurs 5:00 PM Sunday. Vehicles are restricted on Vashon Highway until 5:00 PM on Sunday. You will incur a \$200.00 fee should these breakdown rules not be followed.

SALES TAX:

It is the vendor's responsibility to collect, report and pay sales tax to the State of Washington.

LOCAL LODGING AND ACCOMMODATIONS:

Overnight parking for vendors is extremely limited. Visit www.vashonchamber.com for a list of accommodations. Due to the amount of visitors during our summer tourist season, early reservations are highly recommended. Camping is available at the Vashon Eagles at 18134 Vashon Hwy SW. Call (206) 463-5477 or (206) 463-2388 directly for assistance.

VENDOR RESTRICTIONS:

- No alcoholic beverages are allowed in vendor booths
- No music played at vendor booths (this includes radios)
- Vendors may not loudly "hawk" their products.
- Vendors are not allowed to "rove" with their merchandise at any time.

Festival personnel are authorized to close vendor booths which do not adhere to the above rules or those pertaining to health and safety requirements.

SECURITY:

Booth structure and contents, including inventory, are the sole responsibility of the Vendor. The Vashon Island Chamber of Commerce does not assume any responsibility for injury to persons or loss or damage to any property of the Vendor, including theft, accident or weather-related damage. Vendors are responsible for requesting proper identification from customers who pay with a personal check. The Vashon Island Chamber of Commerce is not responsible for returned insufficient funds checks.

SELECTION PROCESS:

Applicants are evaluated based on product, menu, reputation, booth appearance and their past history with the Festival. Application and past participation do not guarantee acceptance. The Vashon Festival Committee reserves the right to refuse any application.

Any proposed changes from the original application must be approved by the Chamber of Commerce by July 1, 2019.

SIGNAGE:

Vendors must provide their own signage. Signs must be readable and professional. No handwritten signs are allowed. Any photos of products, especially food items, must be representative of actual food items and quantities served. Additionally, all food prices must be clearly and accurately displayed. Vendors may not advertise outside of their booth space, including use of rovers, flyers and sandwich boards.

TRAILERS:

Trailer footprints, including hitch, must fit within the booth space you have specified on your application form.
