Join us at the Taste of Evergreen!

Taste of Evergreen, the seventh annual soiree, will be held Thursday, May 2 at the Evergreen Lake House from 5:30-8:00 pm. The Evergreen Chamber is proud to host this showcase of local restaurants, caterers and brewers presented to the community at one of our most beautiful party settings. Last year we had a sellout crowd of over 300 people. We have a free shuttle from Christ the King Church to the Lake House starting at 5 pm.

Who will win our annual Chamber One Bite Challenge? Food vendors will bring a set of single "bites" of food for people to try and vote on as the Best Bite of the Taste. You taste, you enjoy, you be the judge! Last year our winners were 1st place MacNation Café, 2nd place The Wild Game, and 3rd place went to Keys on the Green We also had a Best Sip of the Taste that went to Lariat Lodge Brewing Company. Curious which restaurants, breweries and wineries are participating? Visit our website for the full list, gather your friends and join us!

Back this year is the beer and wine garden with an exclusive VIP Sip Tasting Happy Hour that runs from 4:30 to 5:30, limited tickets available on our website. All event tickets can be purchased online for \$30 per person. At-the-Door prices will be \$40 each. Ticket price includes entry, 2 drinks, appetizers, and for \$5 a chance the opportunity to win great raffle prizes. Proceeds from the raffle go to support the Evergreen Chamber College Scholarship Fund. Each year we give out 4 awards to students going on to study business.

The Taste of Evergreen event does sell out so advance purchase is recommended. You can purchase tickets online at www.Evergreenchamber.org or by calling (303) 674-3412.

Have you heard about our Blog Wars competition that is geared towards driving traffic to our website, and directly to our members? Details on page 3 of our newsletter.

Free for lunch on Fridays? Join me weekly at 1pm. Meet other members, visit, and just have fun. We meet at a different restaurant every week, check our website for upcoming lunch details.

FEATURED MEMBER SPOTLIGHT

Hammer Enterprises

Interview with Sarah Balboa & Caroline Joan Peixoto,
The Marketing Team of Hammer Enterprises
hammerenterprises.com

Q. What products do you offer?

We produce a variety of the cannabidiol, or CBD, products on at the wholesale level. CBD is one of 113 known active cannabinoids found in the cannabis plant. The human body contains an endocannabinoid receptor system (ECS), the internal system that helps achieve homeostasis and maintain a healthy biological balance, and this ECS is responsible for actively regulating organ systems and other bodily functions to keep them in equilibrium, allowing your body to perform at its optimal level.

Q. What inspired you to get started in this business?

As we took a closer look at the CBD industry, we were disappointed to find a void of transparency and lack of quality-controlled products. It felt impossible to know if the products were clean or not, full of chemicals and pesticides, or ethically grown and processed. This massive gap led to vision that created Hammer. Our dream was to create a line of CBD that would be of the highest calibre and accessible to those of any financial background.

Q. What was the last big achievement that was celebrated?

2018 was a huge year for us, and we surpassed so many milestones that we set at the beginning of the year. The company expanded greatly, from roughly 30 employees to over 50. We acquired an additional 600 acres to our farms in eastern Colorado and harvested an unprecedented 500,000 pounds of hemp! We were selected to be a part of Colorado Department of Public Health and Environment's Environmental Leadership Program.

Q. Why do your customers select you over your competitors?

Our goal is not only to develop the best possible CBD products on the market, but to be the industry leader in quality control, regulation, and environmentalism. We work alongside the Colorado Department of Public Health and Environment to create and implement the best practices in a burgeoning industry.

The Wild Game

Interview with CJ Lydon,
Director of Sales and Marketing
thewildgameevergreen.com

Q. What services do we offer?

The Wild Game Events & Entertainment Experience offers full service dining 7 days a week from 11am until 10pm. We also have several spaces within the venue that are perfect for hosting all types and sizes of meetings and events. We offer entertainment options like live music, boutique bowling and arcade games too.

Q. What is unique about our business?

There are many aspects of The Wild Game that make it unique. We offer businesses, organizations, schools and families a local venue to celebrate together and experience time together where there is something to do for everyone. We are the only business that offers a variety of activities all under one roof, from little children to senior citizens everyone can enjoy good food and drink along with fun activities to experience. We are also the largest event venue in the area.

Q. What was the last big achievement that was celebrated?

We recently were selected for the "Business of Distinction" award by Colorado Serenity Magazine. We feel we are an intricate part of the Evergreen and do our best to support the community. We also celebrated our 4 year anniversary a few months ago and look forward to many more years in Evergreen.

Q. Does the company give back to the community? In what ways?

The Wild Game donates gift certificates, gift cards and game cards on a regular basis for schools and not-for-profits. We also host events and do our best to offer special pricing for certain groups. We participate in many of the local events as sponsors throughout the year. We also sponsor a few school athletic teams too.
