

Supporting the Future of the Belting Industry

WHAT WE PROVIDE

Each year, NIBA selects a number of students to receive scholarships.

The **Presidential Scholarship** (\$4,000) is given to children with a parent employed by a NIBA Distributor/Fabricator or Manufacturer company, and who attend or will attend an accredited college, university or technical school of two or more years.

The **Memorial Scholarship** (\$2,000) is for employees and children of employees of NIBA Distributor/Fabricator and Manufacturer member companies who make a difference through service in their communities, their churches or their schools.

WHO WE SELECT

As a member of NIBA - The Belting Association, we are pleased to offer you (employees) and your children the opportunity to apply for scholarships from NIBA.

Both scholarships have been established to honor the memory of past officers, directors and committee members' strong leadership and dedication to the NIBA organization.

Eligibility criteria varies by scholarship, but we look for applicants with a history of active participation in school, community, and/or church, especially in leadership roles.
