Welcome to your Ten Mile Lake Member Connection & Resource Center!

First, thank you for becoming a Member of the Association. It is your enthusiasm and love of our lake that fuels the work of the Association. Many of you are volunteers. Many of you make donations well beyond your dues. Many of you have sent us great suggestions to make this Association one of the best in the state. Thank you!

We hope you will make the most of the Anchor site. Once you are signed in you should FIRST check your personal information and update it. Then you can:

- Find up-to-date Association Directory information (find a friend!)
- Check the calendar for upcoming events (and even register!)
- Pay your dues on-line in the Account area (reminders will be sent automatically and your history is saved)
- Return to update your personal information whenever something changes.

If you have questions about the Anchor, please let us know. We love hearing from you!
