Dear Future Ambassador,

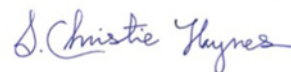

Thank you for your interest in being part of the Dawson County Chamber Ambassador Program!

Ambassadors have an integral and important role within the Chamber and community. Our Ambassadors perform a variety of duties, including visit existing members, inviting new members to the Chamber as well as attend and volunteer at Chamber events.

Your experience as an Ambassador will also be of benefit to you by providing you with a greater level of visibility and promotion in the community. You will also have more networking opportunities to share with others about your business. In addition, Ambassadors also gain insightful knowledge about businesses and the community.

We hope you will take advantage of this unique opportunity to get involved with the Chamber. We can't wait to get started!

Sincerely,
