

Employee Perks Club is a revolutionary new membership marketing marketplace that gives local merchants (and national retailers) a more efficient private channel discount platform that connects them more closely with the employee base of their community.

**Low cost performance based marketing program – Get first 2 months FREE!**

**Reach local consumers more cost effectively than Groupon, local papers, value packs, etc.**

**Utilize push notifications to target specific audiences and/or employee groups, build b2b relationships locally and be part of your local community**
