

OHIO TRUCKING SAFETY COUNCIL

OTSC: IT'S ALL ABOUT SAFETY

No trucking safety professional could ever call their job routine. Between state and federal governments, there are enough transportation safety regulations to keep you busy just staying current. But there's help. The Ohio Trucking Safety Council has given your industry an easy and accessible source of ideas, information and professional development for over 50 years. OTSC is the safety arm of the Ohio Trucking Association.

WHAT DO YOU GET?

OTSC membership is easy and affordable. But what do you get?

- Monthly membership meetings featuring expert speakers on the "Hot Topics" of trucking safety.
- The OTSC Safety Bulletin, published monthly and designed to provide new or impending safety rules and industry trends.
- An annual directory of OTSC members to use as a resource for problem solving and direct contact with other safety professionals.
- Periodic seminars and workshops on issues that require more discussion time than monthly meetings allow.
- Participation in BWC 4% rebate program if you sign up.

WHO SHOULD JOIN?

An OTSC membership will benefit safety personnel involved in:

- For-hire carriage
- Private carriage
- Bulk/Liquid commodities
- Allied (supplier) industries

The largest, the smallest, and every operation in between will gain useful information through membership. And, as many members have discovered, their primary membership dividend is the ability to meet other safety professionals with similar safety problems AND solutions.

AND WHY?

Council meetings and bulletins focus on topics you need most:

- Driver hiring and training
- Workers' Comp and Rehab
- Accident prevention
- Drug/Alcohol testing
- Hours of service
- Hazardous materials/waste
- Handling safety audits
- Out of service criteria
- Conducting safety meetings
- Pre-trip inspections
- Seasonal driving practices
- PUCO and DOT rules
- Owner Operator
- Vehicle technology
- And many, many more

OHIO TRUCKING MAINTENANCE COUNCIL

OTMC: MAINTAINING YOUR ASSETS

The Ohio Trucking Maintenance Council provides a forum for the exchange of information and ideas. It is the place where members come together and learn from each other, as well as from experts in every aspect of equipment purchasing and upkeep. Organized many years ago as the Central Ohio Fleet Maintenance Council, the OTMC became a full-fledged council of OTA in 1993 as a means of providing statewide representation for its members.

WHAT DO YOU GET?

- OTMC members receive a monthly newsletter to alert of new or impending maintenance regulations or industry trends
- The council sponsors member meetings centrally located in Columbus featuring expert speakers on all the hot topics.
- Members receive an annual directory to use as a resource for direct contact with other members.
- Discounts on OTA seminars and workshops.

WHO SHOULD JOIN?

OTMC membership will benefit you if your position is in:

- Common carriage
- Private carriage
- Allied Industry
- HD trucking education

OTMC members come from every level of fleet equipment — from shop supervisors to maintenance vice presidents. Equipment manufacturers, component distributors and related suppliers are also welcome to participate as council members.

AND WHY?

Council meetings and bulletins focus on topics you need most:

- Equipment spec'ing
- Tires, retreads, wheels
- Diesel and alternative fuels
- Conspicuity issues
- New technology
- Finding/keeping mechanics
- Paperwork issues
- Out of service criteria
- Brake systems
- Pre-trip inspections
- Suspension components
- PUCO and DOT rules
- On-board electronics
- Facility tours
- And many, many more
