#### **Independent Auditor's Report**

To the Executive Committee Community Colleges for International Development, Inc. Cedar Rapids, Iowa

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of the Community Colleges for International Development, Inc. (CCID), which comprise the statements of financial position as of June 30, 2013 and 2012, the related statements of activities, cash flows and functional expenses for the years then ended and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CCID as of June 30, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Notes to Financial Statements**

#### Note 1. Organization and Significant Accounting Policies

#### Organization:

Community Colleges for International Development, Inc. (CCID) is a consortium of United States community, junior and technical colleges and foreign educational partners. From its inception in 1976, it has been concerned with implementing international projects and programs which benefit other countries, as well as its own member institutions and other community colleges. CCID is incorporated in the state of Florida as a non-profit organization administered by a Board of Directors consisting of the presidents or equivalents of the member colleges. The administrative operations of CCID have been located at a Kirkwood Community College facility in Cedar Rapids, Iowa since 1998.

#### **Significant Accounting Policies:**

<u>Accounting estimates</u>: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, revenues, expenses and related disclosures at the date of the financial statements and during the reporting period. Actual results could differ from those estimates.

<u>Basis of presentation</u>: CCID is required to report information regarding financial position and activities according to three classes of net assets. Assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of CCID and changes therein are classified and reported as follows:

Unrestricted net assets: Net assets that are not subject to donor-imposed stipulations.

<u>Temporarily restricted net assets</u>: Net assets subject to donor-imposed stipulations that may or will be met either by actions of CCID and/or the passage of time. The only temporarily restricted net assets as of June 30, 2013 and 2012 relate to one scholarship award.

<u>Permanently restricted net assets</u>: Net assets subject to donor-imposed stipulations that neither expire by the passage of time and/or are otherwise removed by actions of CCID. There were no permanently restricted net assets for the fiscal years ended June 30, 2013 and 2012.

#### Revenue recognition:

<u>Program and grant revenue</u>: Revenue for programs is recognized when services are performed. Revenue from grants is recognized when CCID has met the grant's eligibility requirements.

<u>Membership dues</u>: Membership dues are recognized for the fiscal year in effect. Dues are prorated if an institution joins CCID during the fiscal year.

<u>Contributed facilities</u>: CCID receives the use of facilities from Kirkwood Facilities Foundation. The value of donated facilities is computed using the square footage used and an estimated fair value rental rate.

#### **Notes to Financial Statements**

#### Note 1. Organization and Significant Accounting Policies (Continued)

<u>Cash and cash equivalents</u>: For purposes of the statement of cash flows, cash equivalents include time deposits, certificates of deposit and all highly liquid debt instruments with original maturities of three months or less.

CCID has commingled its cash with Kirkwood Community College to obtain greater flexibility, efficiency and return. The amounts held by the College are included in due to/from Kirkwood Community College on the statement of financial position.

Kirkwood Community College's deposits as of June 30, 2013 were covered by federal depository insurance or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This chapter provides for additional assessments against the depositories to insure there will be no loss of public funds.

<u>Grants receivable from other governments</u>: Grants receivable from other governments represent grant funds due from governmental agencies for eligible expenses incurred. Management believes these amounts are collectible.

<u>Software</u>: CCID has a capitalization policy of \$5,000. Software purchased above policy are capitalized. Depreciation on the software is computed using the straight-line method over the estimated useful lives of the assets of five years.

<u>Deferred revenue</u>: Monies received by CCID for program services that have not yet been provided are recorded as deferred revenue.

<u>Compensated absences</u>: CCID employees accumulate a limited amount of earned but unused vacation hours for subsequent use or for payment upon termination, death or retirement. The amount representing the cost of accumulated compensated absences is recorded as a liability. This liability has been computed based on rates of pay in effect as of fiscal year-end.

Income taxes: CCID is recognized as exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. CCID may be subject to federal and state income taxes on any net income from unrelated business activities. CCID files a Form 990 (Return of Organization Exempt from Income Tax) annually and unrelated business taxable income (UBIT) is reported on Form 990-T, as appropriate. Management has evaluated their material tax positions, which include such matters as the tax exempt status and various positions relative to potential sources of UBIT. As of June 30, 2013 and 2012, there were no uncertain tax benefits identified and recorded as a liability. Forms 990 and 990-T filed by CCID are no longer subject to examination by the Internal Revenue Service for the fiscal years ended June 30, 2009 and prior.

Adopted and pending accounting pronouncements: In 2013, CCID adopted Accounting Standards Update (ASU) 2011-09, Compensation-Retirement Benefits-Multiemployer Plans (Subtopic 715-80): Disclosures about an Employer's Participation in a Multiemployer Plan. This ASU requires additional quantitative and qualitative disclosures about an employer's involvement in multiemployer plans including, the significant multiemployer plans in which CCID participates, the level of CCID's participation and contributions, financial health and an indication of funded status, and the nature of the employer commitments to the plan. (See Note 6.)

#### **Notes to Financial Statements**

#### Note 1. Organization and Significant Accounting Policies (Continued)

In April 2013, the FASB issued ASU 2013-06, *Not-for-Profit Entities (Topic 958), Services Received from Personnel of an Affiliate*, which requires a recipient not-for-profit entity to recognize all services received from personnel of an affiliate that directly benefit the recipient not-for-profit entity. Those services should be measured at the cost recognized by the affiliate for the personnel providing those services. However, if measuring a service received from personnel of an affiliate at cost will significantly overstate or understate the value of the service received, the recipient not-for-profit entity may elect to recognize that service received at either (1) the cost recognized by the affiliate for the personnel providing that service or (2) the fair value of that service. The amendments in this Update are effective prospectively for fiscal years beginning after June 15, 2014, and interim and annual periods thereafter. Management is in the process of evaluating the potential impact this guidance will have on its financial statement.

<u>Subsequent events</u>: Management has evaluated subsequent events through November 14, 2013, the date the financial statements were available to be issued. Through this date, there were no subsequent events requiring disclosure.

# Note 2. Kirkwood Community College Allocations and Due from/to Kirkwood Community College

Kirkwood Community College is the fiscal agent of CCID. As its fiscal agent, Kirkwood Community College pays all expenses, including salaries, for CCID.
