

BECOME A MEMBER TODAY

The California Building Industry Association (CBIA)'s Professional Women in Building (PWB) Council is a strong and diverse network of industry leaders who are dedicated to supporting the state's BIA through legislative awareness, promoting educational programs and opportunities, and empowering women in building.

LEGISLATIVE AWARENESS

Be the first to know about issues affecting our industry. Get involved with our council's advocacy efforts and influence change.

SCHOLARSHIPS AND EDUCATIONAL OUTREACH

CBIA PWB members mentor and encourage students to become future leaders in the building industry by providing scholarships and grants at council events to financially support their educational pathways

MEMBER BENEFITS

- Membership to National (NAHB) Professional Women in Building Council and local PWB chapter
- National, statewide and local networking events with leaders from all corners of the building industry
- Opportunities to help strengthen and grow your business
- Personal and professional development to cultivate success

MEMBER ELIGIBILITY

- Applicant's company must be an active member of a BIA/HBA/CBIA.
- Applicants from BIA Bay Area or Fresno/Madera Area must first become a PWB member of the local chapter.
- Complimentary memberships are available to CBIA Partner/Primary members. Email RHelton@CBIA.org to learn more.
