# CBIA BOARD MEMBER BENEFITS

## ALL BOARD MEMBER COMPANIES HOLD A VOTING SEAT ON THE CBIA BOARD OF DIRECTORS.

Your Seat on the CBIA Board of Directors is a highly effective way to:

- Strengthen your business relationships
- Network with a wide range of industry leaders
- Influence California's legislative and regulatory environment
- Stay ahead of critical issues that may threaten your success
- Provide your perspective on strengthening our industry
- Eligible to serve on the CBIA Government Affairs Committee

Although these benefits are noteworthy, the area of greatest ROI is the ability to be directly engaged on the ground level with CBIA's advocacy efforts.

CBIA's unique and profoundly influential role in the development of key regulations and statutes directly impacts a host of policies and procedures that will impact your company's future success.

As simple as it may sound, one misguided code change or legislative measure, can have a major impact on your company.
