The Chamber would like to introduce Natasha Irons, Financial Advisor at Edward Jones.

As your Edward Jones financial advisor, I provide my clients a tailored investment strategy to address your unique needs. Together, we will determine your immediate and long-term goals by utilizing an established 5-step Process to help develop your personalized investment strategy. I came to Edward Jones in 2017, after being in the television industry for 10 years. My previous work inspired me to continue to help people reach their goals in Sandusky, Erie County and the surrounding areas. I am heavily involved in girls basketball in the area. I have coached girls in grades 5-9 dating back to 2013. I started a travel program for 5th and 6th grade girls at my alma mater, Fremont Ross. I have also coached fall and spring teams for the North Coast Showtime AAU program. I am also involved with several organizations in Erie County. I have been an active member of the Kiwanis Club of Sandusky dating back to 2013, where I currently serve as the club president. Over the past several years, I have worked with the Erie County Health Department on the Community Health Improvement Plan, as well as the Partners for Prevention of Erie County. I have worked with the Maritime Museum on the Big Splash Raffle Committee. From 2013-2017, I was part of the Erie County Earthday Extravaganza planning team. In our free time, my family enjoys camping at various campgrounds in the Ohio State Parks System. We enjoy hiking, fishing, kayaking, geocaching, rock hiding and swimming while visiting the parks. Our two dogs, Deja and Bella, also enjoy the fresh air time. At Edward Jones, we're focused on you. The firm has thousands of people and advanced technology supporting our office so that we can help you reach your long-term financial goals. I would like to help to provide the answers to your questions so you can make informed, financially sound decisions. Please contact me to discuss your situation and options.
