Dear Chamber member,

Last week I had the privilege of attending my first Iowa Chamber of Commerce Executives gathering, a three day conference in Orange City, Iowa. ICCE's main goal is to connect local chambers to the trends, innovation, education and best practices that will improve communities. Through conferences, statewide networks and online education, ICCE keeps communities equipped with the tools necessary for professional growth. It's safe to say I walked away with a wealth of knowledge presented to me through guest speakers and my peers in the industry. I'm excited to put what I learned to the test and start better serving the community and our members.

We have many things coming up on our events calendar for October. If you haven't signed up for our fall Chamber CONNECT Seminar, it's not too late. Tomorrow (10/11) Tom Lashier with LRi Resources will discuss ways your business can benefit from social media. 11am-12pm, \$10 for members and \$15 for non-members. Lunch Included! Call myself at the chamber to get signed up. 515-432-3342

Don't forget to mark your calendars for the BAMA Downtown Trick-Or-Treat for Shop with a Cop on October 27th, as well as our Harvest Omelet Breakfast at the Boone County Fairgrounds on November 3rd. Proceeds going to 4-H and FFA Scholarships.

I want to give a quick thank you shout out to 905 Ink, APC and Boone Rehabilitation Services for talking part in our High School Business Tour last Thursday. Thanks for supporting the Chamber and our programs!

Sincerely,

Alyssa Knudsen
