Dear Chamber Member,

It's a **Business After 5 SPECIAL EDITION** tonight with the Boone Theater hosting. Normally held on Tuesday nights, we bumped it up an evening, and from 5pm to 7 tonight you'll get a great opportunity to see what Wayne and Brenda Lumley have done to preserve and improve the downtown theater. They also have some neat plans for the future. While you're there say hello to Tom Lockhart, the Chamber's new manager of Member Services and the Convention and Visitors Bureau.

Now is the time to get your non-profit group together and sign up to volunteer for the **2016 Farm Progress Show**. FPS has paid out tens of thousands of dollars to charities and local non-profits for the services of their volunteers since the show came to Boone County back in 2008. Local service clubs, churches, foundations and others have been able to bolster their coffers by dedicating a few hours one or all of the three days of the show. This year's dates are August 30th, 31st, and September 1st. Contact Tom Lockhart in our office if you are interested and would like more details.

I checked in on the old Chamber building at 903 Story last Friday morning and things are coming along nicely. The new East entrance has been punched out and shaped up with brick, and inside the reception area is taking shape. With a few nice days of weather, look for a lot of new windows on the first floor this week.

Have a great week!
