Dear Chamber Member,

Do you like to PAINT? The Chamber office remodel continues to hum along and later this week we get our crack at the upgrade as it's our turn to freshen up the place. As part of the new look the entire interior space of the first floor has been freshly drywalled, taped, mudded, and by this Thursday the 28th will be prepared for a fresh coat of PAINT. *We could use your help one of the following days:*

- Thurs. and Fri. the 28th and 29th - taping protective plastic over windows and door areas
- Saturday the 30th (8am to Noon) - priming of all drywall surfaces
- Sunday the 1st (10am to 4pm) - painting of all drywall surfaces
- Mon., Tues., and Wed. the 2nd, 3rd, and 4th second coats of paint and touch ups

Contact me at **432-3342** or **298-1253** if you have an hour or two to lend.

You'll note other great opportunities to give of your time and talents within the borders of this e-news bulletin. Few things get done (or done well) without the teamwork of many people. Take a look and see where you might contribute to the good of our communities.

This weekend I heard my first "FORE!", so I know that the golfing season is truly upon us. Our mad scientist Event Manager Alyssa is planning an awesome Chamber Golf Classic for June 2nd. Get your foursomes signed up now, and consider some of her crazy ideas for hole sponsorships too. It's a great way to market your business.

Have a great week!

Sincerely,

Kurt R. Phillips, Executive Director
