Remember that 1971 Jerry Reed classic? **WHEN YOU'RE HOT, YOU'RE HOT!** (YouTube it and have a good laugh)

The summer season is heating up in more ways than one. Aside from being locked into a June heatwave with road construction season once again in full swing, Boone County activity is percolating as well. The Chamber will partner with **Bank of the West** tomorrow morning for our third ever Business Before Hours, a pre-business day networking event that has struck a chord with members who can't easily make the traditional After Hours events. Join us at the bank on Arden Street @ 7:30am tomorrow. If morning and after work events are challenging for your schedule how about coming down to the Chamber for our **Member Appreciation** event next Tuesday, June 20<sup>th</sup>? From 11am to 1pm our staff will be serving up softserve ice cream with all the toppings, right outside our building at 903 Story Street. It's just a simple way to say "thanks" to you for your support of the Chamber and CVB.

There are also a couple annual charitable events taking place this week with the Rotary Auction on Friday night, the same night that Relay For Life makes its way around the track in Ogden. Looking ahead, Ogden raises the bar another notch the following week with the annual **Fun Days** celebration, June 22<sup>nd</sup> through the 24<sup>th</sup>.

So, pace yourself and drink lots of fluids. There is a lot going on now that the warmer weather is finally here. Have a great week!
