ABOUT TRC

The Bismarck Mandan Chamber EDC launched its first Total Resource Campaign in September 2008.

WHY A TOTAL RESOURCE CAMPAIGN?

The TRC is a vehicle for the Chamber EDC to become more efficient in a number of ways. First, it is a way for our members to see the breadth of the opportunities available through the Chamber EDC and cherry-pick the programs that are most profitable for your business. Second, it allows the Chamber EDC staff to focus on programming and providing services throughout the year. Third, it allows our Chamber EDC to effectively plan and strategize for the upcoming year.

HOW WILL THE CHAMBER EDC USE THE MONEY RAISED IN THE TRC?

The money raised is utilized for the operating expenses of the Chamber EDC. The Chamber EDC has two revenue sources: member dues and non-dues revenue (events and marketing). This helps fund member services as well as staff salaries and the Chamber EDC operating expenses. The budget of the Chamber EDC has not changed; we're just trying to be more efficient in how we manage our budget and your time.

HOW DO I KNOW WHAT SPONSORSHIPS ARE AVAILABLE?

Our staff is working hard on contacting all members about their TRC opportunities. If you have not been contacted quiet yet, call us at the Chamber EDC and we will have someone as soon as possible.

We have addressed the most common questions we've heard from our businesses. If you have other questions, please contact Shay Peterson at 701-223-5660 or speterson@bmcedc.com. Your feedback is essential for future campaign improvement and we appreciate receiving it.

IMPACT SPONSOR PROGRAM

IN 2018 THE CHAMBER EDC INTRODUCED THE IMPACT SPONSOR PROGRAM.

The Bismarck Mandan Chamber EDC features a variety of events and programming options for members that provide opportunities for professional development, engagement and networking. Chamber EDC programming is made possible through our member sponsors and their involvement ensures that Chamber EDC events are relevant and impactful to our 1,300 members throughout Bismarck-Mandan.

Impact Sponsors are a sector of members that provide significant support above and beyond their initial membership investment to encourage and enhance the ongoing advocacy, economic development and engagement initiatives of the Bismarck Mandan Chamber EDC. In recognition of their substantial investment in Chamber EDC initiatives, Impact Sponsors receive valuable promotional opportunities and benefits to advance their organization. As Bismarck-Mandan continues to develop, the ongoing collaboration between the Chamber EDC, Impact Sponsors and their fellow members will contribute to the success of Bismarck-Mandan and our region.

To learn more, please contact Shay Peterson at speterson@bmcedc.com or by calling the Chamber EDC at 701-223-5660.

LEMONADE DAY BISMARCK-MANDAN

JUNE 2019

Lemonade Day is a national, experiential learning program that teaches youth how to start, own and operate their own business through a lemonade stand! The most important objective is to empower community youth to take ownership of their lives and become productive members of society. Lemonade Day is a strategic 14-step process that walks youth from a dream to a business plan, while teaching them the same principles required to start any big company. Inspiring kids to work hard and make a profit, they are also taught to spend some, save some and share some by giving back to their community. Lemonade Day will spark the spirit of entrepreneurship and empower youth to set goals, work hard, and achieve their dreams!

LEADERSHIP BISMARCK-MANDAN

Bismarck-Mandan's future is directly tied to the quality of our leadership. Our community needs people who are informed about local issues, who are willing to stand up for community action, and who are effective in serving on volunteer committees and organizations. Leadership is a 9 month program for which 15-18 participants are selected to strengthen their leadership skills, to broaden their understanding of local issues, and to connect and build relationships with community leaders, while gaining skills and opportunities to help them serve both in the community and as a leader. Issue Day sessions are held every other week through the fall and winter. Some of the topics covered are local issues, economic development, human services, legislature, education, health, faith, ethics and values, diversity/communications, agriculture and energy.
