

First Marion E. Keller Scholarship Awarded

Chun Hua Cox, a 2016 graduate of North Penn High School is the first recipient of the Marion E. Keller Scholarship Award. The annual high school award was

dedicated to Marion for her tireless commitment to education in our region. A teacher at the Lansdale School of Business for over 50 years, Marion continues to represent the school at Chamber events.

Chun Hua will be attending Gwynedd Mercy University in the Fall to study Accounting. She relocated to the US from China at 14 years old, speaking no English. She quickly adapted to school completing the ESL curriculum and then taking several AP classes. She maintained a part-time job while engaging in several extra-curricular activities.

Scholarship Committee representatives, Sean Snyder, Gerald Snyder Real Estate and Rob Morrin, Crowne Tutors joined Marion for the scholarship presentation.

Skippack Business Owners Association joins as a Chapter Member

The PennSuburban Chamber recently signed a Chapter Agreement with the Skippack Business Owners Association (SBOA).

The chapter relationship has been developed to allow local businesses to continue to build a strong local presence, while also providing the ability to expand their networking.

The addition of the SBOA, located within the footprint of the Chamber's service area, will provide both organizations with access to a greater number of networking and professional development programs.

SBOA Leadership team: Drew Salamone (i76 Solutions), Tom Merrick (Tom's Help Desk), Shawn Davis (Le Butler's Pantry), Art Berger (Wooden Duck), Paige Meacham (First Niagara), Deb Knight (Copper Partridge).

A MESSAGE FROM THE PRESIDENT'S DESK

"People don't care what you know, until they know that you care."
- Mark Aitken, Horizon Services

Mark Aitken, co-owner Horizon Services was the luncheon speaker at the 2016 Business Expo on June 2nd. Mark shared his personal story and how his experiences helped to create a successful corporate culture. Having suffered with drug and alcohol addiction as a young man, Mark has been committed to giving back to those in the community in need through Horizon Helps. While going through a divorce, he realized others in the company may be suffering as well and bringing their struggles to fellow employees and his customers. A commitment is now in place to support the needs of employees. These examples of servant leadership are applicable to all businesses regardless of size or budget.

Best,
Pam

Chamber Night at the Reading Fightin Phils

May 20, 2016

Thank you!

"I wanted to thank you for sponsoring and providing school students with the opportunity to attend the Reading Phillies game this past Friday night. My second grader attends Franconia Elementary School and had never been to a baseball game before last night. She went to the game with her dad and I could literally see her still glowing with excitement this morning as she told me all about the game. Later my husband confided that it was the "best night I could have had with her." Thank you for helping to make that night happen. There are a lot of smiling young faces because of your community outreach."
