

Class of 2021

LEADERSHIP
KATY
APPLICATION

Dear Leadership Katy Applicant,

Thank you for your interest in Leadership Katy, a program of the Katy Area Chamber of Commerce that is designed to develop and engage the leadership skills of potential and current leaders.

Leadership Katy participants build confidence and motivation to become actively involved in promoting positive change for the Tri-County Region. Class members will grow in awareness and understanding of the challenges and issues facing our community. Leadership Katy allows doors to be opened for greater corporate-organizational community involvement and visibility, develops valuable contacts and networks, and helps identify where strategic alliances might be formed. Employers and sponsoring organizations will see increased leadership and problem solving skills in their employee. The community will experience immediate benefit from increased involvement on the part of the participants, and will reap future benefits from the collective commitment to effective leadership by the graduates of Leadership Katy.

Graduation from the class represents the beginning of a lifetime of opportunity as a member of the Leadership Katy Alumni network. Alumni have the responsibility to foster continued leadership development in the region and are expected to support the work of Leadership Katy. In addition, it is expected that alumni will go forth and participate in constructive community change. They are also encouraged to serve on committees, boards, and organizations throughout the region. Critical to the organization's continued success is the support from past participants in program guidance, financial contributions, and marketing the program to future participants.

Each year, individuals will be selected to participate in a ten month program that meets once a month. Participants receive in-depth exposure to the issues facing the community through lectures, discussion groups, on-site visits, simulations, and other leadership development activities. The program enables participants to develop their leadership capacities, build strong relationships, and prepare themselves for the challenges of the years to come.

Tuition for the ten month program is \$2,500 for members of the Katy Area Chamber. The non-member tuition rate is \$3,000. The tuition covers expenses for the sessions including lodging accommodations, transportation (including airfare) and meals. A tentative session schedule is included.

We look forward to having you as a member of Leadership Katy!

This covers all costs including transportation, meals, hotel accommodations and airfare. Applicants will be notified of their acceptance by June 2020. Tuition is due in full by July 2020. APPLICATION AGREEMENT

I have completely answered each of the application questions and to the best of my knowledge the answers to the foregoing questions are true and correct. I understand that attendance of all retreat sessions is mandatory and attendance at all one-day sessions is expected. I understand that the program will be delivered in six full-day (8 hours) sessions and four two-day out-of-town sessions from August through May. I accept that missing a two-day session or more than two one-day sessions will disqualify me from graduation; and that this is a professional continuing education program and should be taken seriously. I further understand that the program encourages continued Chamber and community involvement following graduation.
