

QUARTERLY EVENTS

TAKING CARE OF BUSINESS

Taking Care of Business will feature educational sessions for the small business community. These sessions focus on key topics that affect small businesses in our community and provide valuable information to help them grow their business.

SPEED NETWORKING

Speed Networking is an exciting, high-impact and structured networking event that allows participants to meet more than a dozen contacts in one morning.

LEADERS & LAGERS

This event is designed to allow Chamber members and Columbus Young Professionals members to hear about different developments in Columbus from leaders of local government, non-profit organizations and other groups while enjoying beer from local breweries.
