## OUR VISION:

The Sullivan County Chamber Of Commerce & Industry, Inc. is the primary resource for networking, information and education for Sullivan County businesses and organizations and provides a strong, valuable voice on behalf of the business community.

# WELCOME

## *To The Sullivan Catskills*

Situated in the foothills of the Catskills Mountains just 90 miles northwest of New York City, we are a rural county with 968 square miles of rolling hills, flowing rivers, crystal-clear lakes, and unparalleled beauty. We have many reasons to be excited for the future of our economy.

You are here amidst an incredibly exciting time in our history. Thanks to Resorts World Catskills Casino, the Kartrite Resort and Indoor Water Park, and a host of smaller lodging establishments, our storied tourism industry is back in the international spotlight, and there is more to come. Our economy is humming, thanks to major employers and industry leaders like the Center for Discovery and Kohl's Distribution Center. And thanks to Bethel Woods Center for the Arts, we continue to celebrate the touchstone of a generation: the Woodstock festival, which happened right here in 1969.

Beyond these new ventures, our landscape and wide open spaces have drawn visitors for decades. In addition to the Delaware River, the Shawangunk Ridge and Catskill Mountains both stretch into Sullivan County. The Bashakill offers superb hiking opportunities, as well as breathtaking views. Our restaurants are welcoming and serve quality cuisine created from locally sourced food, and our farmers who provide that food are second to none.

Whether you are seeking outdoor adventure, a new start for your family or a welcoming and supportive community for your new business venture, Sullivan County is the place for you. Come for a visit and discover yourself the mountains of opportunities that await you in Sullivan County, New York.

Luis Alvarez, Chairman  
Sullivan County Legislature

Joshua Potosek  
County Manager

# **WELCOME TO SULLIVAN COUNTY, WELCOME HOME!**

You will know you are home when our breathtaking natural vistas and warm welcoming communities greet you at your arrival. There's no better time to be in Sullivan County! We are a county full of collaboration and creativity. With a sweet spot for balanced living, there is life after work in our many exciting attractions, cultural events, abundant natural surroundings and outdoor adventures.

We're located at a crossroads, halfway between the New York Metropolitan area and Binghamton, with the Hudson Valley to the east and the Delaware Valley and Pennsylvania to the west. Since colonial times, our natural resources and scenic beauty have attracted industry and recreational visitors. The bluestone sidewalks of New York came from our quarries, early motion pictures were shot using our vistas, and world-renowned entertainers got their start in our hotels.

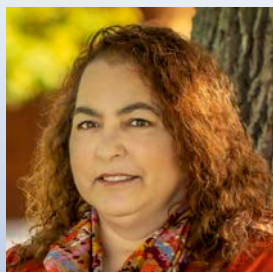

The Sullivan County Chamber is your partner for success. Our nearly 500 members partner to encourage business and support the growing economy of our 15 townships and six villages. Whether encouraging main streets, promoting our hiking, fishing, hunting and skiing, advocating for our growing culinary and beverage offerings, or advancing our revitalized leisure sector, the Chamber is active in support of local enterprise and of our citizens who make up this amazing county.

Sullivan County is the place to be. Momentum is pulsing through every facet of our community. In a few short years our county has risen-up and continues to rise and surpass its former golden years. **Many exciting developments are on our horizon and we are glad that you are here to share it!**

Welcome,  
Jaime Schmeiser

## Town Of Bethel

The Town of Bethel. The hamlets of Bethel, Briscoe, Kauneonga Lake, Smallwood, White Lake and parts of Mongaup Valley, is the geographic center of Sullivan County encompassing 93 square miles of rolling hills, farmland and natural landscapes.

We're home to Bethel Woods Center for the Arts at the historic site of the Woodstock Music and Arts Festival which drew nearly half a million people in 1969. Today, Bethel Woods offers a diverse selection of culturally-rich performances, popular artists, and community and educational programming. The 800-acre campus includes an 15,000-seat amphitheater, an intimate 440-seat indoor Event Gallery, the award winning Museum at Bethel Woods, and a Conservatory for arts education programming.

The hamlets of Kauneonga Lake and White Lake are on a 286-acre motorboat and fishing lake and a hub for lakeside dining and community events. The Forest Reserve at Smallwood, a 120-acre park, is protected by an agreement between the Bethel Local Development Corporation and the Delaware Highlands Conservancy. You can enjoy hiking, birding, snowshoeing and outdoor exercise, Lake Superior State Park offers swimming, fishing, kayaking and opportunities for winter recreation. The town also operates a park with playground, walking trails and picnic areas.

Bethel has an active volunteer base including three volunteer fire departments, a volunteer ambulance corps, Lions Club; Girl Scouts, 4-H, and VFW. Bethel Parks and Recreation offers year round programming and activities along with an enriched summer camp and community garden. The beautification group Bethel First, a vibrant Council of the Arts, an active Business Association, and a healthy community steering committee are all engaged with promoting opportunities for community wellness.

## *Town Of Callicoon*

The Town of Callicoon is rolling hills, rich history, creative people, farm fresh and includes the hamlets of Callicoon Center, Jeffersonville, North Branch, Youngsville and the Village of Jeffersonville that collectively encompass just under 50 square miles in the western portion of Sullivan County.

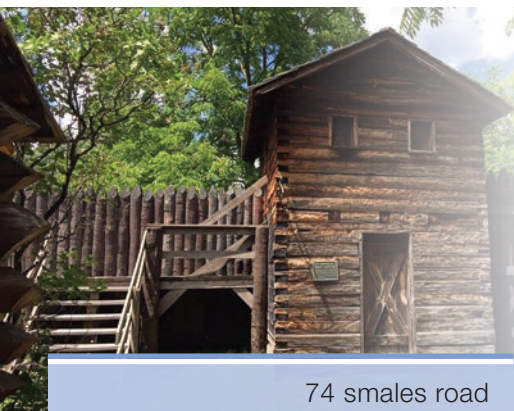

We're rich in active community groups including four volunteer fire departments and an ambulance corps; Lions Club; Chamber of Commerce and the volunteer beautification group the Jeffersonville JEMS.

Our interests and attractions are as diverse as the people. Every Wednesday in the summer the historic Callicoon Center Band entertains with polkas, waltzes, and hits of fifty years ago. On

the other side of town, in the Village of Jeffersonville, is the year round sound of WJFF radio – hydro powered and run almost exclusively by volunteers.

The Village of Jeffersonville serves as a crossroad to several hamlets and main streets; connecting a vibrant agricultural community offering an abundance of fresh food.

## *Town Of Cocheton*

The Town of Cocheton is a small, quiet, scenic part of Sullivan County. Cocheton's fertile flats ("Cushetunk" as it was called by the Indians meaning "low lands") abounding with fish, fur and game and its proximity to the Delaware River, which led to Philadelphia, made it a natural for a permanent settlement.

Our Town is comprised of 38.06 square miles making it the second smallest town in Sullivan County. It includes the hamlets of Cocheton, Cocheton Center, Fosterdale, Lake Huntington, and Skinners Falls.

Access to the Delaware River can be gained at Skinners Falls.

## *Town Of Delaware*

The Town of Delaware consists of the hamlets of Callicoon, Hortonville, Kenosha Lake & Kohlertown. We're a diversified area ranging from flat valleys with pristine views of the Delaware River, to rolling hills offering panoramic vistas. Delaware features many amenities - in addition to our many restaurants & shops, we have a hospital, grocery store, newspaper, library & movie theater. The Villa Roma Resort & Conference Center is located in the scenic Beechwoods area. The Route 97 Scenic Byway passes through the hamlet of Callicoon, & the Delaware River offers a wide range of recreational activities.

The people of the Town of Delaware are what make the town unique. The human spirit & level of caring & concern people have for each other, their neighborhood, & their community is extraordinary. There is a strong volunteer base in the fire departments, Callicoon

Business Association, Kiwanis, Girl/Boy Scouts. The Delaware Youth Center is a community space that offers educational programming & recreational activities for all ages throughout the year. It also houses a year round farmers market that moves indoors from the Callicoon Creek Park with the change of season.

Callicoon hosts several signature events including the annual Tractor Parade, the Callicoon Country Fair, a 10K/5K race/walk in Summer, the Art Walk in Autumn & Dickens on the Delaware in December

*Come Visit Us. You Just Might Stay For Good.*

## *Town Of Fallsburg*

Fallsburg offers a balanced quality of life, recreational opportunities and municipal services to a vibrant year round, seasonal and second home community.

We encompass 79 square miles and include the hamlets of Fallsburg, Glen Wild, Hurleyville, Loch Sheldrake, Mountaintale, South Fallsburg, Woodbourne, and the Village of Woodridge. The Neversink River runs through the Town of Fallsburg and played an important part in its early development.

The Town has just over 4 miles of trail for walking and bicycling. The section of the O&W Rail Trail includes segments from Mountaintale to Woodridge and from Woodridge to the Neversink River. The trail is well-maintained and on level terrain with flowerbeds, a variety of views, and wetlands with excellent areas for bird-watching. Highlights include a Visitor's Center in Mountaintale with a display of historical railway photographs, artifacts, a new scale train sculpture, rest areas and stretching equipment.

Our sense of community is exemplified by local participation in action committees, 6 volunteer fire departments, an ambulance squad, senior clubs, Kiwanis Club and several beautification groups that have worked to create vibrant public spaces and community events. Fallsburg is home to SUNY Sullivan, two lakeside parks and two PGA golf courses.

Morningside Park features a 125 acre lake allowing electric motor boats, fishing and birding opportunities. The hamlet of Hurleyville is a developing walkable community and is home to the THINC (Technology Hub & Incubator) as well as the Hurleyville Arts Centre, galleries, artist spaces & more.

## *Town Of Forestburgh*

Forestburgh, the smallest of the Sullivan County towns, is set amidst abundant forests and peaceful lakes and includes the nine mile Swinging Bridge Reservoir. The beautiful and natural surroundings offer hiking, bald eagle viewing, cross country skiing and other opportunities to connect with nature.

We are home to the Forestburgh Playhouse. Founded in 1947, the Forestburgh Playhouse is the oldest continuously operating professional summer theatre in New York State.

Under an agreement with the Actors' Equity Association, the union of professional actors and stage managers, the Playhouse employs professional actors, often with Broadway or other major credits, as well as a company of non-union professionals who earn credit toward their own eventual membership in the Actors' Equity Association. The Forestburgh Playhouse operates from mid-June through Labor Day. The Forestburgh Tavern hosts a Fall Series during

weekends from September through the end of October. The Fall Series features, bands, cabarets, comedy, special events and caps off the year with our annual live performance of the Rocky Horror Show! Other unique aspects of Forestburgh include Merriewold Park, famous for residences of playwrights; stage and screen actors and actresses and Sho Fu Den, the Japanese palace brought here from the 1939 New York's World Fair by Dr. Takamine, chemist and inventor.

There are 15 historical markers throughout our town denoting its past along with a 150th Sesquicentennial depicting their path as well as other interesting historical and town facts.

## *Town Of Fremont*

The Town of Fremont is nestled in the western corner of Sullivan County, alongside the Delaware River, and offers beautiful scenery—rolling hills, grassy meadows, pure mountain streams, towering woodlands and abundant wildlife. The hamlets of Long Eddy, Fremont Center, Hankins and Oberburg make up the town which is served by both the Roscoe and Sullivan West School Districts.

Tennanah Lake Golf and Tennis Club sits on over 1,000 acres on the highest point in Sullivan County. The par 72 layout has three sets of tees and will play almost 6,800 yards from the back tees.

In addition to the wondrous and bountiful natural resources in Fremont, our town also provides excellent opportunities for entrepreneurship and business ventures. There is a community respect for privacy coupled with encouragement for community involvement. Be as active or leisurely as you'd like.

## *Town Of Highland*

The Town of Highland was first inhabited by the Lenape, who enjoyed the bounty of the Delaware River. Others were drawn to Highland because of its streams, lakes, dense hardwood and conifer forests and wild game. Today, the town is comprised of Barryville, Eldred, Highland Lake, Minisink Ford and Yulan.

Situated along the Delaware River, Barryville, offers eagle watching, outdoor and waterfront activities, and many dining options. Several liveries offer camping, a zip line, rafting, kayaking, and canoeing. The Barryville Area Arts Association, and the Greater Barryville Chamber of Commerce are active throughout the year and include Plein Air painting and the Pumpkin Fest.

Eldred hosts the Town Hall, Senior Center, Sunshine Hall Free Library, Peck's Supermarket, churches, restaurants, and several businesses all within walking distance. Nearby is the Hickok Brook Multiple Use Area, featuring rugged hiking, and other outdoor activities on its 1,064 acres. Located beside its namesake, Highland Lake offers residential and natural beauty with public lake access. The North American Cultural Lab (NACL) Theatre is a performing arts focal point and provides many opportunities for diverse entertainment.

The Upper Delaware's only major Revolutionary War battle was fought at Minisink in 1779. The Minisink Ford Battle Ground hosts a Visitor Interpretive Center with 57 acres, offering hiking, a picnic area and restrooms. The Roebling Bridge is a short drive away – designed and built by John A. Roebling, who later engineered the Brooklyn Bridge.

Yulan offers a quaint residential community, with Konrads Restaurant just a short walk from the post office. Community gardens dot the entrance into Yulan, and are a source of pride for the Town's beautification efforts.

The Town of Highland offers art and culture, nature, relaxation and a welcoming atmosphere to all. Visit for more information.

## *Town Of Liberty*

The Town of Liberty offers excellent schools, outdoor recreation and an escalating business climate. We're a great place to live, play and do business. The Town encompasses the Village of Liberty and the hamlets of Parksville, Swan Lake, White Sulphur Springs.

Our Housing options and available land, along with a walkable downtown of shops, restaurants, groceries and an award winning school district, make Liberty an attractive option for families. We offer an active Parks and Recreation Department with yearlong family friendly events, lakes and public swimming pool. There is plentiful open space and parkland for outdoor recreation including Walnut Mountain which features state ranked mountain biking trails. There are 2.5 miles of rail trail in downtown Liberty and just over 3 miles in Parksville which is also home to Beaverkill Studio—inspired by nature, and fueled by state of the art technology to shoot, edit and screen.

Cornell Cooperative Extension of Sullivan County is located in our Town. It combines local experience and research, developed with community input, and based on the most current information available from Cornell and other Land Grant universities from across the nation. The Liberty campus features a hiking trail, greenhouse, hoop house and commercial kitchen.

The Village of Liberty has weekly farmers' markets, summer theatre, a museum and an arts center.

Lumberland has a rich history, including the Delaware and Hudson Canal, the summer mansion of Singer Sewing Machine President George McKenzie, and the scenic Delaware River paralleled by the RT 97 Scenic Byway, all within commuting distance to the Tri-State and Delaware Valley region.

One of the best ways to enjoy Lumberland is to canoe the Delaware River from the various bases on the banks. Hiking and biking abound with fun restaurants and bed and breakfasts for short or long rests.

On the way stop at the many historical markers and the Lumberland Town Hall and Museum Room-ask for our brochure.

We have a series of quality Cultural Concerts at the Town Hall (call 845-856-8600 #1222 for details) and the Summer Youth Program is available in July (contact the Youth Director at the Municipal Building) Our community is proud to support the Lumberland Fire Department and Auxiliary, the Lumberland Cultural Series Board, The Lumberland Branch of Sullivan First, our Parks and Recreation Department, Senior Citizens and churches. Look for chicken BBQs, penny socials and dinners throughout our town.

Annual events include the Memorial Day and Fourth of July Parades. Lumberland welcomes newcomers with a special packet available through the Town Clerk's Office.

## *Town Of Mamakating*

The Town of Mamakating—Gateway to Sullivan County. Mamakating is where our history meets adventure. We embrace and enjoy our rural heritage and take responsibility for environmental stewardship. On our two mountains and in our lush valley, you can hike the Rail Trail and Delaware and Hudson Canal Trail Project, kayak the Bashakill Wildlife Management Area, and soar at the the nation's oldest glider airport-Wurtsboro Airport.

We're very community minded, with Mamakating First Aid, and volunteer fire departments at Summitville, Wurtsboro, Westbrookville, Bloomingburg, Howells and Mountindale.

The Wurtsboro Board of Trade, Wurtsboro Rotary Club, Wurtsboro Lion's Club, the Bashakill Area Association and our Senior Center all work to make this community a great place to live and work. Annual events include Winterfest in February, Founder's Day in July and Bashakill Area Clean-up Day.

www.mamakating.org

The Town of Neversink partially located in the Catskill Park, features one of the county's most beautiful landscapes, offering natural beauty and a multitude of recreational activities within the Neversink and Rondout Reservoir areas, including fishing, hunting, non-motorized boating, and hiking.

Volunteerism abounds and has been an integral part of the building of the Daniel Pierce Library and Time and the Valleys Museum, the creation of a local farmers' market, and The Townsman newspaper, which has been in existence for over 60 years. We have two fire departments and two volunteer ambulance squads, along with a Lions Club, Chamber of Commerce, Neversink Renaissance beautification group, Antique Tractor Club, and Neversink Agricultural Society.

The Town of Neversink Chamber of Commerce was recently organized to advance the general welfare and prosperity of the Tri-Valley area. The beautification efforts of Neversink Renaissance have brought many resources to the municipality making the town a more beau-

tiful place. Barn Quilts of Neversink offers a self-guided tour to view over 75 barn quilts. An Old Time Fair takes place every July, followed by the Little World's Fair in August, Tractor Show and Sportsmen's Flea Market in September, and the Giant Pumpkin Party in October.

Youth activities in the community are plentiful. Seasonal sports are open to children ranging from Pee Wee to Varsity age. Civic clubs such as 4-H, Boy Scouts and Girls Scouts are available as well, while many programs are presented by the library. The Parks and Recreation Department plans trips and community events for residents of all ages. A newly built Town Park continues to expand, offering a walking trail and pavilion, with more to come.

## *Town Of Rockland*

The Town of Rockland blends easy access from Rt. 17 with small town charm and a big backyard. Its hamlets, Livingston Manor and Roscoe, are rich in natural assets and outdoor recreation in all four seasons.

Located at the southwestern gateway to the Catskill Park, we boast two world class trout fishing streams, the Beaverkill and Willowemoc Creek, and public lands with fishing, hiking, hunting, waterfalls, lakes and ponds. Winter activities include snowshoeing, cross-country skiing, snowmobiling and ice fishing. There are golf courses and a dozen public and private campgrounds.

Rockland is home to the Catskill Fly Fishing Center, the world's largest fly fishing museum, and three covered bridges dating back to 1865, one of which is a county park. Other historic treasures include the O & W Railroad Museum and the Roscoe-Rockland Fire Department's display of bucket brigade memorabilia.

Volunteer groups contribute to Rockland's can-do community spirit, including fire departments, ambulance corps, chambers of commerce, Renaissance beautification groups, Roscoe Rockland

Garden club, Livingston Manor Rotary, Roscoe Kiwanis and others.

The arts are alive at the Catskill Art Center, several galleries and performance spaces. We have unique annual events: the Two-headed Trout dinner in Roscoe when the fishing season opens, the zany, creative Trout Parade in Livingston Manor in June, plus many smaller events. Farm stands, food stores, and a farmer's market provide local products in season.

We have cozy main streets and great personal vibes from the owner-operated businesses, two craft breweries—the Catskill Brewery and Roscoe Brewery, the Prohibition Distillery, and the Arnold House. The Town of Rockland is a great place to visit, and the kind of place you want to live, raise a family, or retire to.

[www.townofrocklandny.com](http://www.townofrocklandny.com)

The Town of Thompson, one of Sullivan County's largest and most populated towns, also has the lowest property tax rate. We're a haven for full-time residents as well as seasonal guests who call us their second home. The Town includes the Village of Monticello and the hamlets of Rock Hill, Harris, Kiamesha Lake, Thompsonville, Glen Wild, and Sackett Lake. Monticello, the largest village in Sullivan County, serves as the county seat, with the government center, courthouse, and other public offices conveniently located within our walkable downtown. With affordable housing, period architecture and refurbished streetscape, Monticello is undergoing a resurgence and is a great location for live-work opportunities and first-time homebuyers.

The Town of Thompson boasts the county's largest concentration of retail development. Smaller retail stores and several ethnic restaurants with outdoor seating can also be found in Monticello. Conveniently located in the Town, just outside Monticello is Resorts World Catskill and YO1 Wellness Center. YO1 Wellness Center" is based upon five ancient sciences: Nature Cure, Ayurveda,

yogic sciences, nutrition and acupuncture, and includes treatments such as hydrotherapy and physiotherapy. The Kartrite Resort and Indoor Waterpark, the largest indoor water park in New York is also located in the Town and includes fun for the whole family.

We offer both residents and visitors beautiful lakes and streams, the Monticello Raceway, the Monticello Motor Club, Holiday Mountain Ski & Fun Park, and a host of world-class golf, dining, tennis, and other recreational options.

We are home to several healthcare facilities, including Catskill Regional Medical Center, Crystal Run Healthcare, and The Center for Discovery.

The Town of Thompson, we're open for business.

## *Town Of Tusten*

Narrowsburg ranks as one of America in Bloom's 2016 top three "Coolest Downtowns." Although small (pop. 1,515), we don't go unnoticed. Historic Main Street dates back to the 1800's and has continued through the centuries to be the commercial hub of the Town of Tusten. Main Street backs up to the deepest and the narrowest part of the Delaware River—perfect for canoeing, rafting, kayaking and fishing. Fishermen can cast their flies into the water, while high above their heads soaring bald eagles dip down to scoop up a fish of their own. We've been declared the Eagle Capitol of New York State.

Our rich history, preserved by the Tusten Historical Society, includes four churches, the Tusten Theater, a circa 1920's Art Deco theater which serves as the performance venue for the Delaware Valley Arts Alliance (DVAA). Concerts, opera, lectures, and the annual Big Eddy Film Festival all take place here. The DVAA which hosts over 12 annual juried art exhibits is housed in the former Hotel Arlington on Main Street, a Registered Historic building.

Annual celebrations include Riverfest, a street fair celebrating Art, Music and the Environment, Honey Bee Fest, and a July 4th parade and fireworks, attracting residents and visitors alike.

As a small town, we work together, through volunteerism, to make Tusten rich with activities, events and hands on work to keep Narrowsburg looking beautiful as a destination for Sullivan County residents and tourists alike.

Other amenities not found in many rural towns include a library, grocery store, gas station, pharmacy and a lumberyard. We boast fine restaurants and fine shops. Narrowsburg, a place to live, work and play.

## Village Of Bloomingburg

The Village of Bloomingburg was the first county seat of Sullivan County and is located in the Town of Mamakating. We prospered first as a center on the Newburgh-Cochection Turnpike and later as a railway town with many guest cottages and homes for those seeking fresh air and beautiful scenery.

We are the southernmost village in Sullivan County. We are also the only Sullivan County Community entirely within the Hudson River watershed. Our eastern boundary is the Shawangunk Kill, which is, at that point, the border with Orange County, making us attractively rural with only a short ride to a wide range of services in Middletown, NY and the greater New York metropolitan area.

We are conveniently located just off of Route 17/86.

## Village Of Jeffersonville

Jeffersonville is at the convenient crossroads of western Sullivan County. Livingston Manor, Roscoe, Callicoon, Narrowsburg, Bethel Woods and more are just a few minutes away from our all-American, small town Main Street. Originally we were called Winkelried after Arnold Von Winkelried, the legendary Swiss hero.

Sullivan West Central School's Jeffersonville Campus was built through President Roosevelt's New Deal, put America back to work program and features the classic architecture of the time. It is rumored Squirt Soda got its start here, and, whether this is true or not, it is uncertain, that Squirt was bottled here for quite some time.

Jeffersonville is rich in community groups. We have a Volunteer Fire Department, Volunteer Ambulance Corp, a Lion's club, a beautification group called JEMS, a Chamber of Commerce and a Community Outreach Group organized by our Village government. We also have several churches, a synagogue and a beautiful community park.

We have many annual and several one-time events each year. Our ongoing annual events include a St. Patrick's Day Parade, Maple Fest, Outdoor Movies in the Park, a full moon drum circle, Women's Wellness, Jeff Jamboree, Ocktoberfest, Trunk or Treat, and the James Dworetzky Holiday Parade.

Proximity is everything here. Our community is very walkable and the abundance of farms makes for easy access to fresh produce, dairy products, eggs and more.

We work with realtors to distribute welcome packages containing information about the village and coupons for area businesses to recent sales and newcomers.

## *Village Of Liberty*

The Village of Liberty is centrally located in Sullivan County, within the Town of Liberty. It was a major stop on the O&W railroad for summer visitors, especially those visiting world-famous Grossinger's Hotel. Today, it is conveniently located off of Route 17/86 with easy access to shopping and services.

The Village is a great place to live because it is so walkable. It is also an easy commute to many employment locations. Housing is readily available and attractively priced whether you're looking for a starter home, second home or permanent residence.

Nearby Walnut Mountain is rated as one of the Top 25 trails in New York State and Hanofee Park offers a variety of recreation activities.

Liberty Central Schools are located within the Village.

Monticello, named after the residence of Thomas Jefferson, is Sullivan County's largest community and the county seat. It was built by Samuel and John Jones to service their interests in natural resources and connect with the Newburgh-Cochecton Turnpike.

Tourism has played an important part in the Village. Downtown was active almost 24 hours a day during the historic era of the great hotels. Today the Alder Hotel, Resorts World Catskills, and the Kartrite Indoor Water Park are bringing new economic growth, while the Monticello Raceway continues as destination.

The Sullivan County Government Center and Sullivan County Court House are located in the Village of Monticello and with other public offices are conveniently located within our walkable downtown. With affordable housing, period architecture and refurbished streetscape, Monticello is undergoing a resurgence and is a great location for live-work opportunities and first-time homebuyers.

Three elementary, one middle and one high school make up the Monticello Central School District.

For recreation, DeHoyos Park, The Ted Stroebele and Dillon Park Pool are available.

We are a convenient crossroads, located off the Rt. 17/86, the "Quickway" to the Catskills and at the intersection of Route 17B leading west to Bethel Woods Center for the Arts and the Delaware River and Rt. 42 leading to the east. You'll find the greatest number and variety of services in Monticello, whether you are passing through, joining us for an extended stay or moving into a great community.

## *Village Of Woodridge*

Woodridge is a friendly and welcoming piece of Sullivan County. A 1947 newspaper article dubbed us “Utopia in the Catskills” and focused on the cooperatives in the Village and our slogan “The Friendly Village”. We were and are home to a diversified group of religions and nationalities. Two cooperatives still exist—Associated Mutual Insurance Cooperative founded in 1913 and Cooperative Federal Credit Union founded in 1936. The Village boasts its own police department, court, office, sanitation and highway departments, planning board, zoning board and executive board.

We are part of the Rails to Trails and healthy communities initiatives. The entire Village is pedestrian and bike friendly and with the trail running through the Village, connecting two parks and a seating area. Krieger Park has a lake, ball-field, basketball court and picnic area; Centreville Station Park pays homage to the New York, Ontario and Western train days and the original name of the Village; and Veterans Memorial Park honors our vets. A mural painted on the side of a large building on Broadway memorializes the O & W Railway.

The Village boasts a volunteer fire department, Kiwanis club and a group of volunteers who work on our Sullivan Renaissance projects every year and help our Village staff maintain them.

The Woodridge Kiwanis Club holds an annual scholarship dinner, awarding 5 scholarships to graduating Fallsburg High School seniors. The Woodridge Fire Department holds an annual Mother’s Day Pancake Breakfast in conjunction with the Kiwanis Club plant sale. A Memorial Day observance ceremony is held annually.

We informally greet new neighbors via office staff, some local longtime residents and mayor and trustees.

## *Village Of Wurtsboro*

The Village of Wurtsboro is nestled at the base of the Shawangunk Ridge, bordered by the largest fresh water wetland in southeastern NY, and just a few quick miles over the southeast border of Sullivan County off Rt. 17 / I-86.

Famous for our role in the days of the D&H Canal, we're now home to eateries, eclectic shopping, and professional services on our walkable main street. Our neighborhood public elementary school and new library are in the village. We're at the intersection of five trails which have recently received a grant of over \$1 million for upgrading. The Wurtsboro Airport is a glider pilots' landmark with a rich aviation history dating to 1926.

Our fire department, commissioners and ladies' auxiliary are volunteer. We have veterans' organizations, the Wurtsboro Board of Trade, Mamakating Rotary, Mamakating Lions & Lioness, the Knights of Columbus, Saint Joseph's Catholic Church, Wurtsboro Community Church, Wurtsboro Hebrew Congregation, Mamakating First Aid Squad, Wurtsboro Art Alliance for the artist or art lover, Wurtsboro Renaissance

for beautification, Boy Scouts and Girl Scouts, and the Basha Kill Area Association for nature and the environment.

Wurtsboro Winterfest is a great family fun day, we have a Memorial Day Parade, the Wurtsboro-Founders' Day Street Fair held in July, and the Annual Roosa Gap Roller Coaster Run starts and finishes in the village to benefit the PFC Jerry 8. Evans Memorial Scholarship Fund. The Basha Kill Wildlife Management Area, a state-managed, freshwater marsh of over 3,000 acres, is renowned by bird watchers, hikers, kayakers. The Basha Kill Area Association is a volunteer, non-profit organization that seeks to enhance appreciation and stewardship of this unique natural resource, and coordinates many activities throughout the year.

# *An Overview Of Sullivan County Schools*

## Students Of All Ages Learn In Different Ways

From pre-schools to college, Sullivan County has educational institutions that address traditional learning, individuals who need an alternative approach, parents looking for religious base instruction and programs for those with special needs. For individuals just out of high school or adults who have been out of school for many years or immigrants looking to become citizens or learn English, Sullivan County has what you are looking for.

Sullivan County schools offer innovative and exciting ways to learn, including the use of technology, promoting the arts and cultural diversity. School districts encourage leadership, teamwork and community involvement through participation in student organizations and competitive sports. You will truly receive a quality, fulfilling education in Sullivan County.

These individual school profiles demonstrate that our rural schools may be small in size but offer a wealth of learning opportunities preparing today's students to be tomorrow's leaders. For additional information about a specific school, please contact the individual school district directly. If you are looking for a professional teaching career, Sullivan County has much to offer. You will have the opportunity to explore teaching, administrative, and support positions in the area schools by contacting one source:

*Delaware Valley Job Corps*

The Delaware Valley Job Corps Center is one of 127 Job Corps Centers providing a no-cost education and vocational training programs administered by the U.S. Department of Labor. The program serves young people aged 16 through 24, helping them get a better job, make more money and take control of their lives.

At Job Corps, students enroll to learn a trade, earn a high school diploma or TASC and get help finding a good job. Students are paid a monthly allowance which increases with the length of stay. We support our students for up to 21 months after graduation. Students also have the option for Advanced Training offered at various Job Corps, or if accepted into our Advanced College Training program, attend SUNY Sullivan and earn an Associates Degree—all at no extra cost.

Life at a Job Corps Center is an exciting and an educational experience. We are a great place to complete an education, learn a marketable trade, make lifetime friends and graduate with a good job in hand. Delaware Valley Job Corps is a residential program featuring a campus-like setting with dormitories where students live. We also have a non-residential program for local community members (between the ages of 16-24) who want to take advantage of Job Corps programs.

Funded by the United States Congress, Job Corps has been training young adults for meaningful careers since 1964. We offer all students a safe, drug-free environment where they can take advantage of the resources provided. The Delaware Valley Job Corps invites you to learn more about our center, how it benefits Sullivan County's youth, our employment opportunities, and business opportunities. For questions or enrollment information please call us.

## *Eldred Central School District*

Eldred Central School District, with about 600 students, values dedicated and individualized attention. The graduating class of about 45 students boasts one of the highest graduation rates in the county, with about 80 percent heading directly to college. Classes are small, academic standards are high. Our strong elementary program serves as a springboard to the secondary program. Kindness is promoted and emphasis is placed on community service. To expand science, technology, engineering, arts, and mathematics (STEAM), students explore computer coding and working with robotics.

Eldred offers opportunities to earn up to 24 college credits through a partnership with SUNY Sullivan and 20 credits of on-line Advanced Placement courses are available. We also have a "Student Academic Support" program, promoting reading, reading comprehension, and writing skills. Hands-on education in an assortment of career areas is available through Sullivan County BOCES.

With one of the strongest K-12 music programs in the region, Eldred has been named a "Best Community for Music

Education" by the National Association for Music Merchants six times and NYSSMA Gold ratings in 2016, 2017 and 2018. Our performing and visual arts programs also excel with work achieving local and regional recognition and featured in prestigious scholastic art exhibits. Athletic "Yellowjacket" spirit soars and several teams have earned numerous league and sectional championships, moving on to competitions at the State level. In total, 27 sports teams are available.

Nearly 80 percent of High School students participate in extra-curricular activities Yearbook, Fishing Club, Interact Club, Game Club, Varsity Club, National Honor Society, Key Elements (a cappella), and Performing Arts Club.

At Eldred, we believe student success is built on a strong partnership among parents, teachers, and the school community.

[www.eldred.k12.ny.us](http://www.eldred.k12.ny.us)

The Fallsburg Central School District is comprised of two outstanding schools. Benjamin Cosor Elementary School (PreK-6), and the Fallsburg Jr./Sr. High School, (7-12). We are located in eastern Sullivan County where the communities within the district provide opportunities for a suburban, village, and rural life style.

Fallsburg is a small educational community serving a diverse mix of approximately 1,400 students. We are committed to improving students' lives by providing a nurturing and well-balanced learning environment, excellence in education and a strong instructional program guided by the New York State Learning Standards. Our all Regents curriculum challenges learners to meet the higher standards by emphasis on small class size, personalized instruction and recognizing students' strengths and weaknesses, capitalizing on learning styles, and identifying gifts and talents.

Through a broad range of quality services and collaboration among administration, faculty, and staff, we foster social and academic excellence by promoting literacy and language fluency, engaging students in exploration, inquiry, investigation and complex thinking skills, using technology, connecting school to students' lives, exposing students to social and cultural experiences that build character and well-roundedness, and respecting parents/families as important resources.

Fallsburg prepares students for the future by supporting them to be self-directed learners using expanded access to technology as a tool. A District-wide high-speed wireless and Ethernet infrastructure offers Internet access and standard tool-based software in every learning environment, integrating computers into classrooms, libraries, and labs, while maintaining close contact between faculty and students through all school activities.

We also provide students with rich extended-day offerings providing students with after-school support and enrichment based on their needs, while complementing other activities so that participating students enjoy extracurricular offerings and receive the academic support they deserve.

## *Sullivan County Head Start Inc.*

Sullivan County Head Start is a non-profit, single purpose, grantee agency, governed by a Board of Directors. Head Start is a federal funded program providing a variety of educational activities as well as support for families and pregnant women.

Our classes run a full day from 8 am to 4 pm. Children receive free medical and dental screenings and therapy services, if identified as a need. They also receive healthy meals and snacks, and enjoy playing inside and outdoors in a safe environment. The Head Start program runs from September to June and Early Head Start serves families year round. We currently service 243 pre-school children ages 3-5, 85 infant/toddlers and 21 pregnant moms. The program has 96 employees, 4 buildings-one in Monticello and 3 in Woodbourne and 9 vehicles. We bus our children to and from school and our staff are trained and certified to meet the needs of the children.

In 2011, we became the grantee for the Sullivan County Family Court Children Center, funded through the Unified Court System of New York.

## *Hebrew Day School Of Sullivan*

In a world where moral values are often ambiguous and morals are as diverse as the many cultures that make up our country, Hebrew Day School of Sullivan's mission is to educate, without compromise, the mind, body and soul. By interacting secular and Judaic subject matter, the school creates an environment rich in tradition, yet balanced with twenty-first century skills. We have Pre-School for 3 and 4 year olds, Pre-K through 8th Grade, with co-ed Elementary classes, and 9th through 12th Grade available for girls. Our student-teacher ratio is 6-1. Current enrollment is 55.

We believe that children arrive with different strengths based on their experience, physical development, and maturity. Potential abilities and aptitudes flourish in an atmosphere in which a student feels secure, confident, and free to explore and question. Helping them acquire the necessary skills and knowledge to function, as a responsible and contributing member of society is the priority that forms the structure of the curriculum. Learning how to learn, to attack new problems, to acquire new

knowledge, and building competence in basic skills, understanding concepts and generalizations, and developing responsibility-these are some of our objectives. Emphasis is placed upon creativity and individuality, helping the child discover the particular way he or she sees and feels, and refining his or her way of expression. Classroom activities concentrate upon the child's own perceptions and growing sense of self. Our philosophy guides every facet of our program, is the focus of our education efforts, is the standard by which we measure our achievements and is the beacon that illuminates our goals.

Call for rates. Scholarship allowances are accepted. Vouchers are available for pre-school.

## *The Homestead School*

The Homestead School is a Montessori school with 200 co-ed students in Pre K through 8th Grade. Located on 85 acres, the school is a green campus educating and practicing recycling, reusing, and reducing consumption with almost 100% power supplied by its solar array.

Staffed with trained and dedicated teachers and a student-teacher ratio of 8-1. The Homestead School provides each child with academic and social experiences of suitable challenge to his or her level. The school's handcrafted, manipulative materials offer a concrete approach to sequenced programs in math and numbers, language, science, geography, social studies, daily living skills, sensorial training, and large muscle activities. Designed for individual use, the learning materials allow each student to take on tasks, repeatedly, until mastery. As a result, students develop independence, self-discipline, and the ability to work with concentration on solving problems.

The Homestead School derives its uniqueness from the number of enrichment opportunities that it offers. A national evaluation team from the American Montessori Society recognized the school for its "total" environment in which children experience the living lessons of a traditional working barn, complete with livestock and poultry and of a mile-long natural and historical trail.

In addition to its emphasis on outdoor education, The Homestead School offers in-depth specialty subjects such as foreign language, computer training, music, drama, and physical education. Commonly viewed as "frills" in education, such specialties are embraced by the Homestead staff as the essence of a program, which helps the child to see constant applications for the regular classroom lessons, while firing the creative imagination and stimulating interests to last a lifetime.

There are no half-days and there is no after-school care. Bussing is available in Sullivan County. Tuition and fees are available at our website.

## *Liberty Central School District*

Nearly 2,000 students in grades Pre-K – 12 attend Liberty Central School District. In partnership with our parents, guardians and community, the District strives to provide an educational experience that challenges and inspires all students to make a positive contribution to society.

Each of our schools develop age-appropriate programs, curricula and activities. Liberty students have achieved their best performance under the toughest accountability standards in the state's history. Our high school's graduation rates continue to increase as we work to meet the dynamic needs of the future.

Liberty Central School District is a champion for every child and offers families a portfolio of rich options and programs to ensure all students have the social, emotional and behavioral support needed to achieve their potential and dreams.

In our schools, students are given the opportunity to take advantage of the integration of technology in our curriculum, outdoor lessons in one of our edible gardens, college credit courses at a discounted price and opportunities to perform in award winning musicals, art shows and athletic programs. The District has a K-8 Makerspace program, with plans to create a 9-12 grade program as well. Students are also offered the opportunity to participate in our work-based learning program at Liberty High School.

The district has a strong working relationship with the Village of Liberty Police Department and has two full-time School Resource Officers providing support to students and staff on a variety of topics, including drug abuse, violence, bullying and theft.

Liberty is at the crossroads of the Catskill Mountains and Hudson Valley region, but ranks among the top school districts in the Sullivan County area for academics and fiscal efficiency. We believe you will find the Liberty community and school system an excellent environment to raise and educate your children in.

# *Livingston Manor Central School*

Livingston Manor Central School is located primarily in western Sullivan County with portions of its 165 square miles in Delaware and Ulster Counties. The school, is considered to be one of the most beautiful, Georgian Architecture, educational structures in the State of New York. The building consists of three separate wings housing pre-kindergarten through twelfth grades. The district consists of 485 students and is staffed by 55 dedicated professionals with a full range of support staff committed to preparing students for life during the 21st Century.

We are committed to providing a well-rounded program for each student. Extra-curricular activities play a significant role in the development of the adolescent. We field over 25 interscholastic teams at three levels and a broad range of clubs and activities for students.

Livingston Manor is proud of its record of placing students in fine colleges, and its academic and extra-curricular perfor-

mance. Special programs have been developed to meet the needs of a culturally diversified population and the school enjoys cooperation and support from the entire community.

Our mission is to be the best school possible for all students by ensuring competent graduates who have a healthy, positive self-image and the desire for lifelong learning. This is accomplished by providing a challenging, well-defined curriculum taught by a competent, caring, and professional staff who stay current with the latest educational research and practice. The Livingston Manor Central School prides itself in maintaining a safe and nurturing school environment that fosters success.

The Monticello Central School District is a community of life-long learners. We are the largest school district in Sullivan County in terms of enrollment. Nearly 2,900 students attend our five schools across approximately 200 square miles of urban, rural and suburban areas that comprise our district's boundaries.

We prepare students to be successful, life-ready citizens through a holistic education comprised of academic rigor, extracurricular experiences and character development. Through partnerships with dozens of local and national agencies and organizations, we are able to provide our families with a myriad of opportunities to enhance academic skills, explore new interests, pique curiosities, experience the world outside of Monticello's boundaries and to develop the emotional "soft skills" necessary for life in the 21st century.

Our youngest residents have the opportunity to participate in Project Excel, our free universal Pre-K (UPK) program that prepares three and four-year-old students to enter kindergarten with a foundation for academic success and a love of learning.

Our primary grades emphasize an integrated language arts curriculum, supported with early intervention and social/emotional wellness education. Students receive instruction in art, music, physical education and technology, and can also choose to join one of the many extracurricular clubs that abound at the elementary level. Students have the opportunity to participate in the district's grant-funded Empire Extended Day Program, which provides academic support from certified teachers, enrichment opportunities, and

a chance to foster a greater connection with the Monticello community. The Empire Program runs five days per week, from 6 a.m. to 6 p.m.

Academic rigor accelerates in middle school, with upper-level course work and grade-level teams making integrated instruction possible. As part of the middle school's curriculum, students study technology, music, art, home and careers and foreign language, while also continuing to build character and culture competency.

College and career preparation continues into the high school, with students having access to college-level courses, advanced computer technology, a comprehensive foreign language program and the nationally-recognized Academy of Finance program. Sullivan County BOCES provides a wealth of career and technical training for Monticello students. High school students also have many opportunities to pursue new interests, and develop leadership skills through internship programs, partnerships with local businesses, and a host of extracurricular clubs and programs.

## *Roscoe Central School*

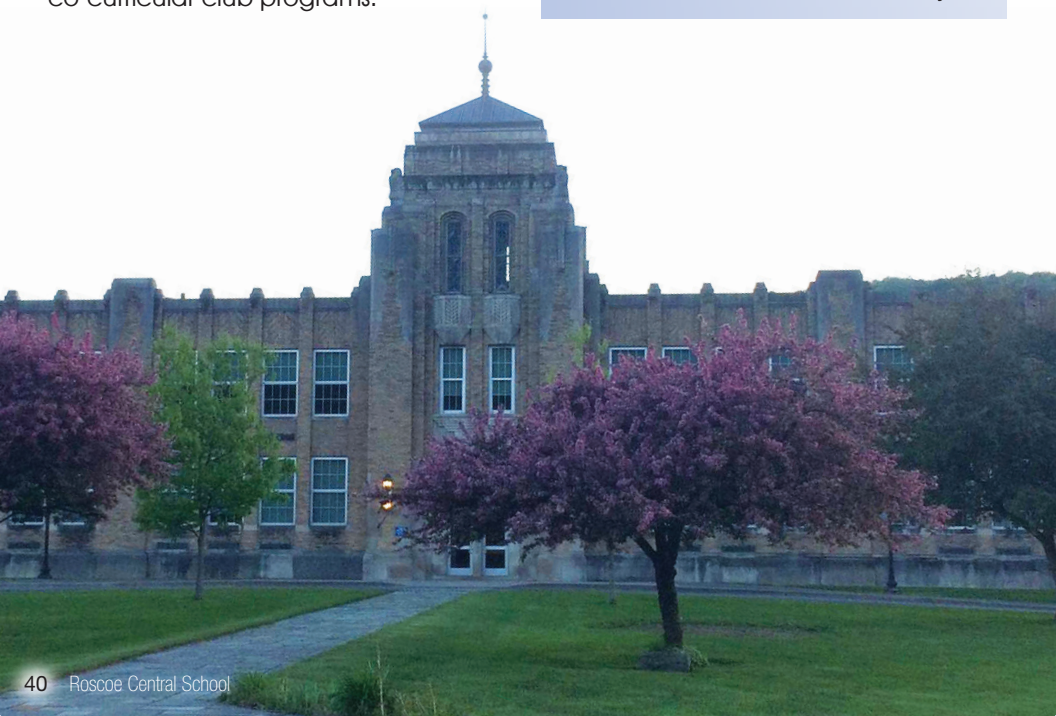

The Roscoe Central School District provides “public school education” with a “private school vision.” We are a small, rural, PreK-12, central school located in western part of the County. Our community, has been recognized as one of the top 50 outdoor communities in the nation, and has been ranked number one in the State! We are proud of our outdoor heritage, and as a result, our student body is extremely active in all co-curricular and athletic activities.

Roscoe Central School District is a special place for students. Our unique size offers many opportunities for students to learn in an environment addressing individual learning styles and challenges, while helping students achieve their highest potential. Students take advantage of their community by learning about life-long activities such as fly-fishing and golf. They can participate in interscholastic sports, such as football, soccer, basketball, baseball, softball, and golf. Our students also have the opportunity to participate in band, chorus, plays and other co-curricular club programs.

Our staff provides students with strong academic and co-curricular programs in a caring and nurturing environment. Small class sizes provide students with individual attention. Academic Intervention Services are provided to students on an as needed basis. We provide a modern technology program, keeping current with up-to-date computer and other technology to prepare students for a technologically advanced society.

Citizenship is important in our community and our educational program emphasizes participation in the activities and traditions of our community and its role in the greater community of state and nation.

Sullivan BOCES delivers a wide-range of instructional programs along with educational support and management services to its eight school districts and several other schools in the region. Our three-hundred staff members collaborate with our customers to create solutions to educational challenges, increase operational efficiencies, and reduce costs. We improve student success by providing quality educational experiences that help students achieve their goals and prepare them for their role in the global economy.

Our Career and Technical Education programs offer juniors and seniors hands-on training in a variety of fields, guided by expert Advisory Boards, ensuring that students are ready for employment or for college study. Our Career & Tech classes have articulation agreements with colleges and trade schools, enabling students to earn credit towards an associate or bachelor degree while still in high school.

Children and young adults are the main focus of the Special Education and Alternative Education Programs, which create and implement strategies to develop each individual's potential utilizing state-of-the-art technology to enrich instruction.

Adults interested in changing careers, learning new skills or hobbies, preparing for the HSE/T ASC diploma, or learning English as a second language will find a number of classes that will assist them with meeting their goals at the BOCES Adult & Continuing Education Center. The Adult program offers day and evening courses, on-line courses, and also works with area businesses to provide specialized training programs.

The Instructional Support Services Division (ISS) is an important resource helping educators adapt to the new NYS Next Generation Learning Standards by providing a variety of professional development

opportunities as well as regional scoring, instructional coaching, library services and technical support. The ISS division is committed to helping school districts raise student learning and achievement.

Sullivan BOCES also offers a number of school support services designed to increase efficiencies, save time and money and eliminate duplication of staff, facilities, and equipment. The Management Services Division assists school districts back-office functions and services like accounting, payroll, food service operation, transportation coordination, HVAC and electrician services as well as telecommunications.

The Sullivan BOCES goal is simple, do everything we can to collaborate to increase student success, optimize efficiencies and enhance cost savings.

## *Sullivan West Central School District*

Sullivan West Central School District educates approximately 1100 students in Pre-Kindergarten through Grade 12, in two schools. The District is spread over 250 square miles of Western Sullivan County.

Sullivan West Bulldogs excel in academics, inter-scholastic athletics, drama, the arts and music. Our Bulldogs also participate actively in school and civic affairs and volunteer within the community. Approximately 85% of our High School's graduating classes go on to post-secondary education at institutions such as Siena College, New York University, Harvard, Boston College, Hofstra, Lehigh, Villanova, Elmira, American University, and two-year and four-year SUNY colleges and universities. Over forty clubs and activities are available for students, spanning all levels from elementary school through high school.

Sullivan West High School offers eight Advanced Placement courses, five Dual Credit courses with SUNY Sullivan, and both the Syracuse University Chemistry and the Rochester Institute of Technology pre-engineering programs. Many students prepare for careers or for technical post-secondary education by studying Career and Technical Education at the Sullivan County BOCES.

Our faculty and staff work with students in small and personalized classes. Students who need additional support or special programs are served by guidance counselors, social workers, psychologists and special education teachers in each school. Our students are also provided access to cutting-edge technologies and are encouraged to use their personal technology through our "Bring Your Own Device" initiative.

The Sullivan West Central School District provides an excellent education for its students within a small-town, rural community setting. Our schools are great places for students to learn, faculty and staff to work, and for visitors to learn more about the value of a Bulldog education!

SUNY Sullivan is a two-year community college within the State University of New York system. We're committed to preparing you for the future, whether you're getting your first job, transferring to a four-year institution or enhancing your personal and professional skills.

At our 405-acre Loch Sheldrake campus, you can choose from approximately 40 associate degree and certificate programs as well as a variety of continuing education and specialty courses. We also offer several degree and certificate programs that you can earn 100% online. SUNY Sullivan is home to the Catskill Hospitality Institute, which will prepare you for a career in culinary arts, pastry arts, recreation leadership, golf management, or hospitality and tourism. Within the fields of Health Sciences, the college will prepare you for a career as a medical assistant, nurse or respiratory therapist. We also offer several Liberal Arts transfer degree programs and we host a rigorous Honors program.

SUNY Sullivan offers a wide variety of community learning (non-credit) offerings focused on physical activity, business and planning, and creative expression, which are offered both at the main campus and the Narrowsburg Union.

A variety of community, sports and cultural events are held on campus throughout the year. Men's and Women's Basketball and men's Baseball, compete in Division II athletics and we compete in several Division III sports. Campus and community members enjoy theatre and opera performances in the state-of-the-art Seelig Theatre, including the Met Opera; Live in HD. The SUNY Sullivan campus serves as a living sustainability lab, complete with a community garden, the Hope Farm, a nine-acre solar array, an apiary, and student-run composting facility.

## *The Tri-Valley Central School*

The Tri-Valley Central School District has a long tradition of outstanding academic results fostered by a talented faculty, an extremely supportive community, and a board of education that encourages educational innovation and excellence.

Tri-Valley students consistently rank at or near the top of the region in the percent of graduates earning Regents Diplomas. Instructors offer seniors a wide variety of college credit bearing courses.

Our Secondary School students demonstrate their learning through classroom and performance based experiences. The District is committed to fostering the value of an education provided through "hands-on" learning. One such avenue is that of Agricultural Education, which reflects the history and culture of the local community. Our students have the opportunity to work in actual greenhouses, take courses in Animal Husbandry and work with farm animals to develop the skills necessary for success in this important industry, on the local, regional and national levels. Students participate in numerous, well run athletic and co-curricular activities, including a wide range of local, state and national competitions and service learning opportunities.

Tri-Valley teachers are provided with sustained professional development opportunities and the district maintains an extensive professional library. The goal of this professional work is to successfully prepare the District's students for their chosen paths beyond high school.

Tri Valley programs are well supported by the board of education and the community as demonstrated by an excellent history of taxpayer approval of District budgets.

Tri-Valley Central School District remains committed to promoting a child-centered, outcomes-based educational program.

# *Get Active* with Our Water & Land Adventures

Our Rail Trails take you through quaint villages to scenic vistas and along rushing streams. Be part of the rush whether you're kayaking, canoeing or rafting the Delaware. Put on your waders and fly fish the world-famous Beaverkill and Willowemoc. Or just look up to spot our eagles fly by as they do some angling of their own. Great golf? We've got that, too!

## *Take Your Seat* for Our Arts, Culture & Heritage

Experience a wide range of music performers at Bethel Woods Center for the Arts. Like an aria? You'll sing the praises of Delaware Valley Opera. Some of the earliest films were made in Sullivan County and The Big Eddy Film Festival celebrates contemporary classics. Our local arts community is on vibrant display at the Delaware Valley Arts Alliance and the Catskill Art Society galleries.

# *Bring Your Appetite for Food & Beverages*

Sample Trout Town Brown Ale, Freak Tractor (Model 14), Callicoon Brown Cow Porter, Peace Vodka and Bootlegger 21 New York Bourbon Whiskey, Wood Duck Chardonnay and Elizabeth's Vineyard Cabernet Franc at our breweries, distilleries and wineries. The emphasis is on what's regionally grown and produced, highlighting the meat, dairy and produce for which we're famous, at restaurants, cafes and pubs all over the County. If you're the chef, you'll find the same ingredients at seasonal farmers' markets in our town and villages.

## *Invite Your Friends*

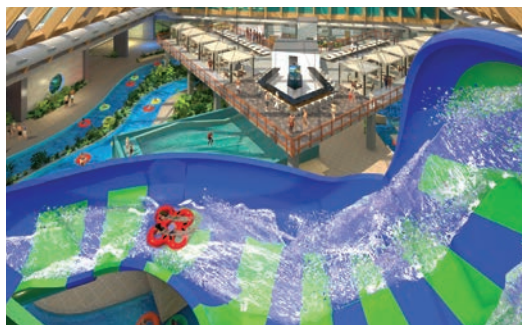

Not enough room to host them all at your place? Book them comfortable lodging at everything from resort hotels to spas, boutique hideaway rentals and B&Bs. Suites, cottages and cabins—on our hills, by our lakes and in our historic villages—you can even go glamping and stay in a deluxe treehouse.

## *Try Your Luck* and Make a Splash

You might win big at the slots or table games at Resorts World Catskills. Maybe you'd prefer to lie low at the spa. Looking for excitement? Get wet and wild with the kids at Kartrite Resort and Indoor Waterpark—it's New York's largest!

# *Shining Light On Energy Savings!*

**Delaware River Solar has partnered to offer NYSEG along with Rochester Gas & Electric customers one-year community solar contracts without cancellation fees, marking a new milestone in U.S. solar accessibility.**

Community solar allows residents to enroll in a local, shared solar array and see consistent savings on their electric bill - without paying any upfront costs or making any changes to their property. Project such as the Laurens, NY, will serve 400 households across Otsego, Delaware, Chenango, and surrounding counties, and its one-year, no cancellation fee contracts will allow renters to participate without fear of getting stuck with a contract that they can't take with them if they move.

Delaware River Solar has 5 completed and full projects in New York State. Baer Road in Callicoon NY has been full and live for over a year. Sackett Lake 2 in Monticello NY is full and live along with Sackett Lake 2 which is full and waiting the interconnect to go live. The Laurens NY project is full and close to being live. Turner Road in Lowman, NY is almost full and will go live soon. Hospital Road solar farm in Callicoon is full waiting to go live. Currently we are signing people up for our Kelly Book Road solar farm in Liberty, New York. Next in line will be Boas in Plattsburg NY.

In addition to the clean, renewable energy and energy bill savings that it will bring to area residents, each project would bring additional revenue to the town, create 30 plus full-time construction jobs during the project's installation phase, and protect multiple acres of unused farmland for future use.

DRS plans to begin construction of 20-30 new solar farms in 2019. Each solar farm project will serve approximately 300-400 customers and offset 10 million pounds of carbon emissions annually. Solar development is a critical strategy in meeting New York's State renewable energy initiative to provide 50% of the state's energy needs with renewables by 2030. Residents have the ability to save with no-risk, no cost subscriptions. It's a win-win for all. To reserve your spot and sign up, [please call 845-414-3491](tel:845-414-3491) or go to the website at [www.delawareriversolar.com](http://www.delawareriversolar.com).

Delaware River Solar develops, builds, and operates community solar projects throughout New York State. Their mission is to expand solar energy to those that cannot or prefer not to host solar on their own property and to contribute to the state's bold energy and climate goals. Delaware River Solar works with local landowners, governments, organizations, and residents to responsibly and effectively build solar projects that benefit the community. For more information, [visit delawareriversolar.com](http://www.delawareriversolar.com).

# THE CENTER FOR DISCOVERY

## **ABOUT THE CENTER FOR DISCOVERY**

The Center for Discovery, Inc. is a 501(c)(3) not-for-profit, nationally known provider of educational, health, clinical, and residential services for children and adults with severe complex disabilities and medical frailties, including a growing number of individuals with Autism Spectrum Disorders. The Center offers individuals - and their families - innovative educational, clinical, social, nutritional, creative arts and recreational experiences designed to enrich their lives through personal accomplishment.

### **Pediatric Center of Excellence:**

With 171 children ages 5 to 21 in 23 residences, The Center is the largest provider in New York State for children with significant disabilities. The Center provides special education services to a total of 280 school age children, including 100+ day students. The Pediatric Program includes beautiful, universally designed residences for children, an integrative nature-based special educational program; health/medical and clinical services; advanced rehabilitation technology; adaptive physical education; music and art therapy, and other key services/programs. Services are provided by highly trained and qualified staff that operate 24 hours a day, 365 days a year.

### **Adult Program:**

The Center's Adult Program features a continuum of residential opportunities for 165 adults, from age 21 to senior citizens, with complex disabilities and medical frailties, including those with a variety of aging issues. Our adult options range

from 24-hour nursing residences, to five-bed homes on our renowned Thanksgiving Farm, as well as homes in our local towns. The Center's adult programs are designed to facilitate the independence and self-reliance of our residents to the greatest degree possible.

### **Health & Clinical Services:**

The Center provides comprehensive health/medical and clinical services, including primary care and dental services, coordinated by a team that includes a Medical Director, primary care physicians and specialists, nurse practitioners, psychologists, physical therapists, occupational therapists, speech language pathologists, audiologists, and 100 registered nurses (RNs) and 30 licensed practical nurses (LPNs). The Center also operates the Discovery Health Center, a 27,000 square foot NYS Department of Health certified clinic that offers Center residents and hundreds of individuals from the local community and the region, a broad range of outpatient services. It is the first health care facility in the country to receive the U.S. Green Building Council's Leadership in Energy and Environmental Design (LEED) Certification.

### **Food, Farming, and Nourishment Arts:**

The Center for Discovery's Department of Nourishment Arts, or DNA®, is a living model of our Food is Medicine® principle. DNA recognizes that nutrient dense, clean, whole food is fundamental to realizing true health through optimal nutrition. We bring together farmers, chefs, and nutritionists to ensure the food we provide, and its nutrition values, are maximized at every point along the food chain. Our main focus is to harness the therapeutic power of food to create an internal environment for all bodies and brains to thrive. Our Thanksgiving Farm encompasses over 300 certified organic and biodynamic acres, proving both quality food and meaningful work opportunities for students and residents.

### **A Healthy Community Model:**

The Center's Healthy Community Model, located in the hamlet of Hurleyville, NY is a comprehensive effort to reimagine what it means to be a fully inclusive and sustainable community. This pedestrian-friendly and vibrant Main Street provides access to a variety of experiences and ways to connect, along with an abundance of creative outlets and learning opportunities. Throughout the last decade, The Center has developed major partnerships with local government, the Open Space Institute, the State University of New York educational system, as well as a number of individuals and private foundations to transform the economically depressed hamlet of Hurleyville into a viable, fully integrated Main Street that includes new business ventures and job opportunities.

### **The Children's Specialty Hospital:**

In a groundbreaking development for the state of New York, The Center for Discovery will open a first of its

kind Children's Specialty Hospital that will transform the standard of care for complex conditions. The hospital, scheduled to open in 2020, will provide specialized, short-term care for children with complex disabilities, along with support and training for their families, caregivers, and school districts. The Specialty Hospital's intensive, integrated treatment model will enable each child to successfully live in the least restrictive setting. The hospital is expected to save New York State millions of dollars each year, with the goal of replicating this model throughout the state and the nation.

Agriculture represents the second largest economic sector in Sullivan County with a combined output value exceeding \$68,000,000 (2010). Farms create direct economic benefits, provide our residents with fresh local foods, support other local businesses across many sectors, and preserve the rural character that our residents and visitors value so highly. Cornell Cooperative Extension

(CCE) Sullivan County supports local agriculture by providing resources for farmers and consumers, helping strengthen the local and regional food systems. For more information about local agriculture and CCE Sullivan contact us.

## Farmers Markets

Every week during the growing season our communities enjoy the freshest, locally grown seasonal fruits, vegetables, herbs, bedding plants, perennials, fresh cut flowers, and more. Our talented crafters offer body botanicals, soaps, fine millinery, pottery, handbags, candles, jewelry and crafts. Local farms produce delicious cheeses, yogurt, jams, wines, maple syrup, honey, free range eggs, fish, pork, poultry and beef. Specialty foods will have you coming back time and again for quiches, soups, sauces, breads, pastries, cookies and barbecue sauces. The farmers' markets are for more than purchasing produce. They are a gathering place for friends and neighbors to relax and converse, enjoy a pastry, cookie or homemade ice cream, and build a sense of community.

# The Hurleyville Arts Centre

The Hurleyville Arts Centre is a community cultural center located in the heart of Hurleyville, NY, in Sullivan County. We are comprised of a first run movie theater, Main Street Dance studios, The Yoga Space yoga studio, a ballroom and event space housing a professional Salsa and Ballroom Dance program. Adjacent to the Arts Centre on main street in Hurleyville is Gallery 222. The Arts Centre was established in 2016 through partnerships with the Center for Discovery, the community, and local philanthropic organizations.

## *The Movie Theater*

At the Hurleyville Arts Centre opened March of 2017. We now run a variety of blockbuster and independent films with online advance ticketing at [Hurleyvilleartscentre.org](http://Hurleyvilleartscentre.org). The cinema is available for private events and can comfortably seat 130 as well as being completely wheelchair accessible.

## *Main Street Dance*

Main Street Dance is the premier Dance Studio in Sullivan County. It is a family based studio built on friendship and respect for ourselves, our teachers and our peers. We offer a curriculum that promotes discipline, balance, coordination and confidence with an emphasis on technique and fun. Main Street

Dance has been offering ballet, tap, jazz, lyrical and hip hop classes for 20 years in Liberty NY. We relocated to the new state of the art facility in The Hurleyville Arts Centre in 2016. We offer an end of year performance to showcase the cumulative work of the students.

## *Salsa Ballroom Program*

Our Ballroom is the home of weekly Salsa & Ballroom Dance Classes. There are classes for all levels taught by talented professionals!

The salsa and ballroom program at the Hurleyville Arts Centre lead by world champion ballroom dance instructor Edgar Osorio will teach you the basic elements including steps, counting, hand hold, directions, actions and positions. For seasoned dancers or once the foundations been mastered intermediate classes are available to help tighten your turns, begin to make your dance elegant and your partner connection smooth. Gain the confidence to impress any crowd, connect with new friends and get in shape doing it.

HURLEYVILLE ARTS CENTRE®

## *The Yoga Space*

Our Yoga Space classes in dance, fitness and yoga asana, from a wide variety of lineages. We recommend taking all the classes until you find what is right for you. We are here to help you on the path to health and wellness. The Yoga Space strives to create a safe, fun, and nurturing environment where a healthy community can connect and grow.

## *Gallery 222*

Located on Main Street adjacent to the main Hurleyville Arts Centre complex and movie theater. The gallery provides an open space for international, national and regional artists to exhibit and sell artwork with new artists and art openings monthly. The gallery space is also available for private events. The gallery is accessible to everyone as a vibrant public space that fosters social engagement between diverse communities. It is a welcoming - safe space that provides a platform for critical thinking across media, disciplines, cultures and contexts.

 **Crystal Run**®  
Healthcare

# *Crystal Run Healthcare:*

## *Sullivan County's Premier Healthcare Provider*

For over two decades, Crystal Run Healthcare has served as a vital gateway to health services for families in Sullivan County. We provide an unrivaled model of care to all patients whenever and wherever they need it, with a focus on improving health outcomes and providing access to quality care within Sullivan County.

We offer our patients a seamlessly integrated Primary Care and Urgent Care practice, as well as more than 50 medical and surgical specialties in multiple locations throughout the county. In addition, our offices have advanced diagnostic imaging services and lab testing available under one roof.

Sullivan County residents also have access to our Urgent Care centers – the only private practice Urgent Care in the region to be accredited by The Joint Commission and an Accredited Urgent Care Center as recognized by the Urgent Care Association of America (UCAOA) – which offer convenient, walk-in care without the need for an appointment. Crystal Run Urgent Care offers fully-accredited state-of-the-art diagnostic imaging services right on-site– including CT, MRI, X-ray, and Ultrasound – in addition to IV hydration, sutures, wound care, and injections. To reinforce our progress in revolu-

tionizing healthcare in Sullivan County, we are partnering with Montefiore Health System to provide greater access to world-class specialized care for patients without leaving their community. This coordinated and convenient approach to health care is laying the foundation for a healthier future for Sullivan County. This is made possible because of our commitment to addressing the critical needs of our population regardless of their ability to pay for medical treatment.

Residents of Sullivan County look to us for affordable care that is consistently recognized as the best in the region. Nearly 60 Crystal Run physicians were selected as 2018 Top Doctors in the Hudson Valley by Castle Connolly in over 25 medical and surgical specialties. Crystal Run has also been voted the Best Family Practice by the Times Herald Record's Readers' Choice Awards for 6 years in a row, and provides the highest-rated care in all categories. In addition, we've been voted Best Cancer Center in The River Reporter's Readers' Choice "The Best" awards.

At Crystal Run, we take pride in providing Sullivan County the world-class, integrated care that you can trust. At Crystal Run, your health will always come first.

***For more information about Crystal Run,

# *Center For Workforce Development*

The workforce system in Sullivan County helps job seekers find employment and businesses find workers. We are a partnership of workforce development, education and community service providers who work together to make sure our County has prepared workers for thriving businesses. Whether you are looking to enter or reenter the workforce or move up or on to another job we have services and support that will position you for success. If you are a business looking for workers let us assist you in finding and training the right people that will help your business prosper and grow.
