

A DAY ON THE RANCH

BEST CREATIVE ACTIVITY - *BEST RECREATIONAL ACTIVITY*

A Day on the Ranch took a group of 240 hotel General Managers and Executive Chefs out of the air conditioning and into the rolling hills of Driftwood Texas for a day of cowboy networking with planning from the team from Red Velvet Events. To close their conference in downtown Austin, attendees arrived at a private ranch full of rustic relaxation, roaming longhorns, lawn games, campfire grub, and a full afternoon of high intensity activities. Horseback riding, skeet shooting, and tomahawk throwing were a few of the activities for city slickers to have an effortlessly authentic day on the ranch.
